24001 **Algeria** Banque de l'Algerie 20 Francs 9.5.1910 Pick 72 **PMG Very Fine 25**.
An amazingly pleasant and good looking example of a rare note. Thin and delicate paper used for this note wore easily, leaving most extant examples with a poor eye appeal. This example is fresh, bright, and clean. Typical pinholes are mentioned for accuracy. Much better than normal and a rare type note.

24002 **Angola** Banco Nacional Ultramarino, Benguela, 5 Mil Reis 1.3.1909 Pick 26 **PMG Very Fine 20**.
An impressive early 20th-century rarity, and a note with minimal information known. A small stock of Sao Tome 5 Mil Reis notes were overprinted in red and sent to Benguela, Angola, for circulation. At the time of cataloging, this is the first and only example graded in the *PMG Population Report*. Extremely rare and an important Angola banknote. Minor ink on the back is mentioned for accuracy.
Starting Bid: $500

24003 **Argentina** Casa de Moneda 10 Pesos 1.3.1841 Pick S379a **PMG Choice Fine 15**.
A desirable and interesting Buenos Aires issue, not often encountered today. It is a fully printed banknote, with all details visible. At the time of cataloging, PMG has graded a mere three examples of this rare type. Minor repairs are mentioned for accuracy.
Starting Bid: $400

24004 **Argentina** Provincia de Buenos Ayres 50 Pesos 1.1.1869 Pick S488a **PMG Very Fine 30**.
A pretty denomination in the extensive 1869 series issued in Buenos Aires province. This example is problem-free and is the highest graded note of only two pieces currently graded in the *PMG Population Report*. Interesting and very scarce.
Starting Bid: $500

24005 **Argentina** Provincia de Buenos Ayres 500 Pesos 1.1.1869 Pick S497 **PMG Very Good 10**.
A pleasing and rare early American Banknote Company engraving. At the time of cataloging, this is the first and only example graded in the *PMG Population Report*. Perhaps underrated, this is certainly a scarce 19th-century issue. Circulated but problem-free.
Starting Bid: $400

24006 **Argentina** Provincia de Buenos Ayres 5 Pesos 1.1.1885 Pick S563a **PMG Very Fine 25**.
An interesting and rare type note, issued with a circular stamp at front. Problem-free and quite pleasing. At the time of cataloging, PMG has graded only two examples of this denomination. A seldom-seen American Banknote Company engraving.
Starting Bid: $400

24007 **Argentina** Provincia de Buenos Ayres 50 Pesos 7.8.1891 Pick S577r Remainder **PMG Uncirculated 62 EPQ**.
A beautiful Remainder, and a note that is unlike others from Argentina of this era. Notice the handsome engravings of a sailing ship, an allegorical figure, and livestock. Original paper is easily seen through the third party holder for this rare and very pretty note.
Starting Bid: $400

24008 **Australia** Commonwealth of Australia 10 Shillings ND (1918) Pick 3b R3a-b **PMG Very Fine 25**.
A delightful and rare note backed by gold. Problem-free and with good colors and presentation for the assigned grade. The signatures of Cerutty & Collins are seen, indicating that this is the second of two varieties known for the type.
Starting Bid: $500

24009 **Australia / Fanning Island** Plantations Ltd. 1 Pound ND (1942) Pick UNL Schwan-Boling SB1541a2 **PMG Uncirculated 60 Net**.
Fanning Island, known today as Tabuaeran, is part of Kiribati. During World War II, it was part of the Gilbert and Ellice Islands, administered via Australia. This interesting and rare note lacks serial numbers but happily remains in Uncirculated grade despite a large stain. Most of these notes were split in two. Thankfully, this note was not.
Starting Bid: $400

24010 **Austria** Austro-Hungarian Bank 100 Kronen 2.1.1902 Pick 7 **PMG Very Fine 30**.
A beautiful and rare banknote, not generally offered in any grade, this piece is problem-free and with good eye appeal for the grade.
Starting Bid: $400

24011 **Bahamas** Bahamas Government 10 Dollars 1965 Pick 22a **PMG Gem Uncirculated 66 EPQ**.
A desirable middle denomination from the first decimal series. This is the two signature variety and is scarce in Gem Uncirculated grade. The Bahamas Government notes of 1965 are among the most popular of all world banknotes, as their pretty designs are appreciated by collectors worldwide.
Starting Bid: $600

24012 **Belgian Congo** Banque du Congo Belge 5 Francs 4.4.1930 Pick 8e **PMG Gem Uncirculated 66 EPQ**.
Belgian Congo banknotes are popular with collectors worldwide, with those in the best of grades commanding spirited bidding and fanfare. This small denomination was a workhorse in the late 1920s and 1930s, but oddly, it was printed on thin, frail paper. This example is utterly remarkable, as it is completely pack fresh, clean, and fully Uncirculated. At the time of cataloging, it is the single finest graded example in the *PMG Population Report*. To date, this is the best example of this variety and, as such, is worth serious consideration. Amazingly rare in this elite grade.
Starting Bid: $1,250

24013 **Bermuda** Monetary Authority 100 Dollars 2.1.1982 Pick 33a **PMG Gem Uncirculated 65 EPQ**.
Highest denomination of the Monetary Authority series. The first date and a three digit serial number are seen on this pack fresh Gem. Collectors were hesitant to purchase this denomination from the Monetary Authority due to its high face value, hence very few are seen and offered today.
Starting Bid: $500

24014 **Brazil** Banco Central Do Brasil 10 Reais ND (1997) Pick 245Apd Polymer Printer's Design **PMG Choice Uncirculated 64**.
An interesting and very rare prototype printed on Polymer substrate. Solid zero serial numbers and a cancellation are seen on the front. As this note was never issued on Polymer, it is deemed a Printer's Design by PMG, although it also resembles a Specimen. Nonetheless, this is a desirable variety for this pretty design for Brazil.
Starting Bid: $400

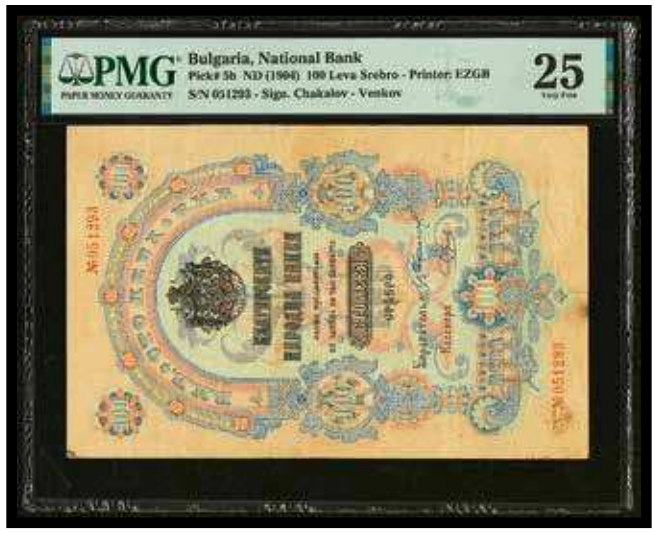
24015 **British Caribbean Territories** Currency Board 2 Dollars 2.1.1961 Pick 8c **PMG Superb Gem Unc 67 EPQ**.
At the time of cataloging, this exemplary $2 note is tied for the finest grade in the *PMG Population Report*. Rare in anything close to this grade and a fantastic example from this popular Queen Elizabeth II series. An elite offering.
Starting Bid: $500

Bold and Original British Guiana 2 Dollars

24016 **British Guiana** Government of British Guiana 2 Dollars 1.1.1942 Pick 13c **PCGS Choice About New 58PPQ**.
The British Empire and Commonwealth spanned the globe across all continents and geographical regions. British Guiana, a small colony in the northeast quadrant of South America, issued a variety of coins and notes during the 19th and 20th centuries which are collectible and desirable today. The Government of British Guiana issued notes from 1916 to 1942. During that period, commercial banks issued limited denominations as well. This extremely pretty and rare $2 is from the final series of notes before issuance was transferred to the British Caribbean Territories Currency Board. Desirable and very rare with this outstanding grade.
From The Louis Winterfield Collection
Starting Bid: $2,500

24017 **Bulgaria** Bulgaria National Bank 5 Leva Srebro ND (1899) Pick A6 **PMG Extremely Fine 40**.
A beautiful silver coinage issue. Just 14 examples of this denomination are presently graded in the *PMG Population Report*. Classic Bradbury, Wilkinson & Company designs are seen and appreciated. Three denominations were included in this series, which appears to have been issued for only approximately five years before being replaced by a vertical series that was closely related to contemporary Russian issues.
Starting Bid: $1,250

24018 **Bulgaria** Bulgaria National Bank 10 Leva Srebro ND (1899) Pick A7a **PMG Very Fine 25**.
An early and very rare silver issue. At the time of cataloging, a mere two examples grade finer in the *PMG Population Report* than this offering. An annotation on the back is mentioned for accuracy.
Starting Bid: $400



24019 **Bulgaria** Bulgaria National Bank 100 Leva Srebro ND (1904) Pick 5b **PMG Very Fine 25**.
A rare and desirable silver issue, seldom seen in any grade. This was the second highest denomination of the series and few exist in the marketplace today. Problem-free and with good eye appeal.
Starting Bid: $400

24020 **Bulgaria** Bulgaria National Bank 500 Leva Srebro ND (1910) Pick 6a **PMG Fine 12**.
Highest denomination of the silver series. This vertical type note is quite rare in any grade and it is increasingly popular in recent years. Heavily circulated but essentially free of problems, save for some splits. The first we have offered.
Starting Bid: $500

24021 **Bulgaria** Bulgaria National Bank 1000 Leva 1922 Pick 40a **PMG Choice Very Fine 35**.
A delightful and scarce high denomination banknote printed by the American Bank Note Company. Not generally offered, this piece is desirable in this pleasant, mid-grade with good eye appeal.
Starting Bid: $400

24022 **Bulgaria** Bulgaria National Bank 5000 Leva 1938 Pick 57a **PMG Choice Very Fine 35**.
Highest denomination of the 1938 short series printed in Germany. A mid-grade example with some edge tears mentioned for accuracy. Rare in any grade. Bulgaria is especially popular at present.
Starting Bid: $600

24023 **Bulgaria** Bulgaria National Bank 5000 Leva 1945 Pick 73a **PMG About Uncirculated 55 EPQ**.
Highest denomination of the Russian-printed series of 1944-1945. Only the briefest trace of circulation atop original paper contributes to the excellent visual appeal. Rare in this grade and an increasingly popular type.
Starting Bid: $400

24024 **Burma** Government of India, Rangoon 10 Rupees 18.5.1915 Pick A5c Jhunjhunwalla-Razack 2A.2.3.D.3 **PMG Very Fine 20 Net**.
City of issue code "R" is seen on each side of this popular and rare uniface note, issued in Rangoon, Burma. One of the rarer varieties for the design and a type missing from many collections. Due to the tropical climate of Burma and the thin paper used for these notes, some internal splits and tears have been filled and mended. Ink stamps and notations are typical.
From The Louis Winterfield Collection
Starting Bid: $500

24025 **Burma** Reserve Bank of India 5 Rupees ND (1937) Pick 1a Jhunjhunwalla-Razack 5.1.1B **PMG Extremely Fine 40**.
In 1937, small runs of unused King George V notes printed for India were repurposed for use in neighboring Burma. This variety, with red overprints in the margins, is scarce, as only prefixes T/18 to T/22 were overprinted in this way. PMG has graded only 28 examples of this variety, which is seldom seen today. Especially desirable in this excellent, problem-free condition.
Starting Bid: $1,500

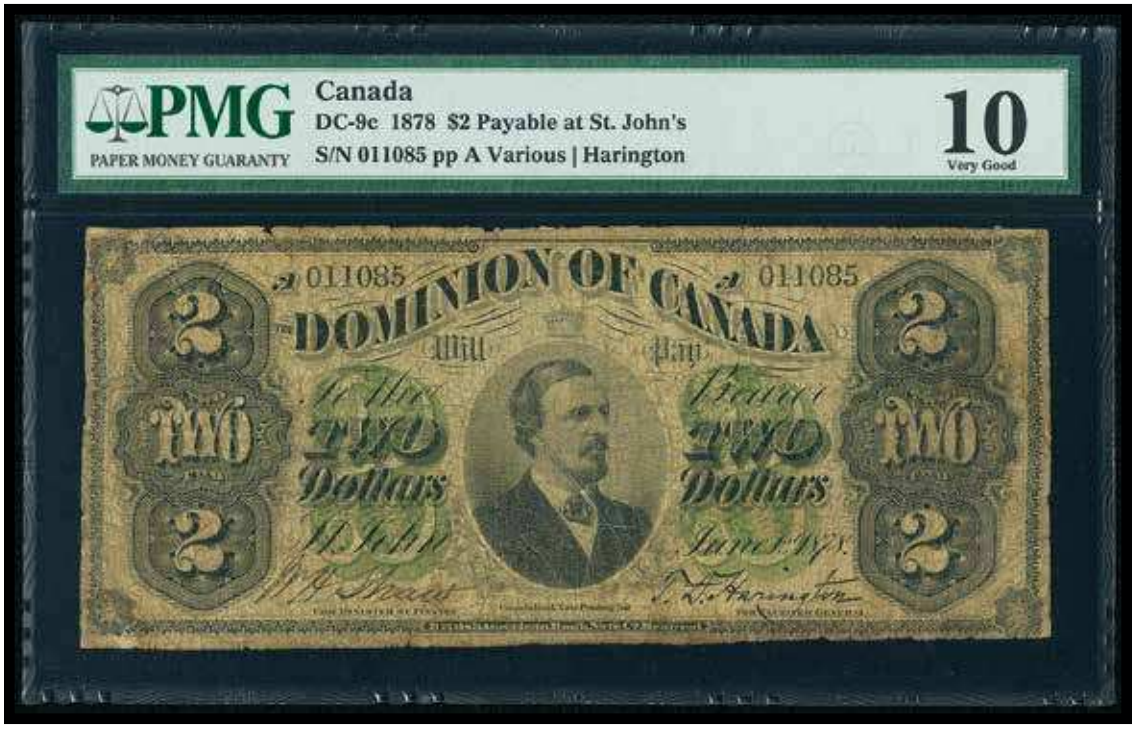
A famous and rare banknote for Burma. Deep blue colors and pretty designs endear this note to collectors worldwide. Repairs to tears and to rough margins are mentioned for accuracy, along with typical notations and stains.
Starting Bid: $500

24027 **Cameroon** Banque Centrale 500 Francs ND (1962) Pick 11 **PMG Gem Uncirculated 65 EPQ**.
A stunningly beautiful banknote and especially so in Gem Uncirculated grade. Rare in anything close to this grade and a popular post-colonial issue, this variety is seen with the denomination in English on the back in red text.
Starting Bid: $400

24028 **Canada** Dominion of Canada $1 1.6.1878 DC-8a **PMG Very Fine 25**.
A scarce and popular note featuring the Countess of Dufferin. This variety is payable in Montreal and presents much better than typical. Colors are bold and bright, and the manuscript signature remains fresh. Problem-free and with good eye appeal, thus rare.
Starting Bid: $1,500

Rare 1878 Payable at St. John Issue



24029 **Canada** Dominion of Canada, St. John's $2 1.6.1878 DC-9c **PMG Very Good 10**.
An elusive "Payable at St. John" example from the 1878 issue, this note features the Earl of Dufferin's portrait on the face and the Great Seal of Canada on the back. A limited quantity of 50,000 notes from this receiver general's office were printed, which was the lowest of any of the four domiciliary locations. As of 2016, the *Canadian Paper Money Society Note Registry* reported six known examples of the St. John variety, with three of those held in institutional collections. The *PMG Population Report* reflects three graded pieces, a Good 6, Very Good 10, and Fine 15. An annotation over the back seal is noted on this Dominion of Canada rarity.
Starting Bid: $10,000

24030 **Canada** Dominion of Canada $4 1.5.1882 DC-10 **PMG Fine 12 Net**.
Canada's interesting $4 banknote of 1882 was the first Canadian note printed on watermarked paper, and the only such note printed until 2004. Only 1,200,000 were printed and most have been used and worn out, leaving a scant few extant to be collected today. Repairs and scuffing are mentioned for accuracy.
Starting Bid: $500

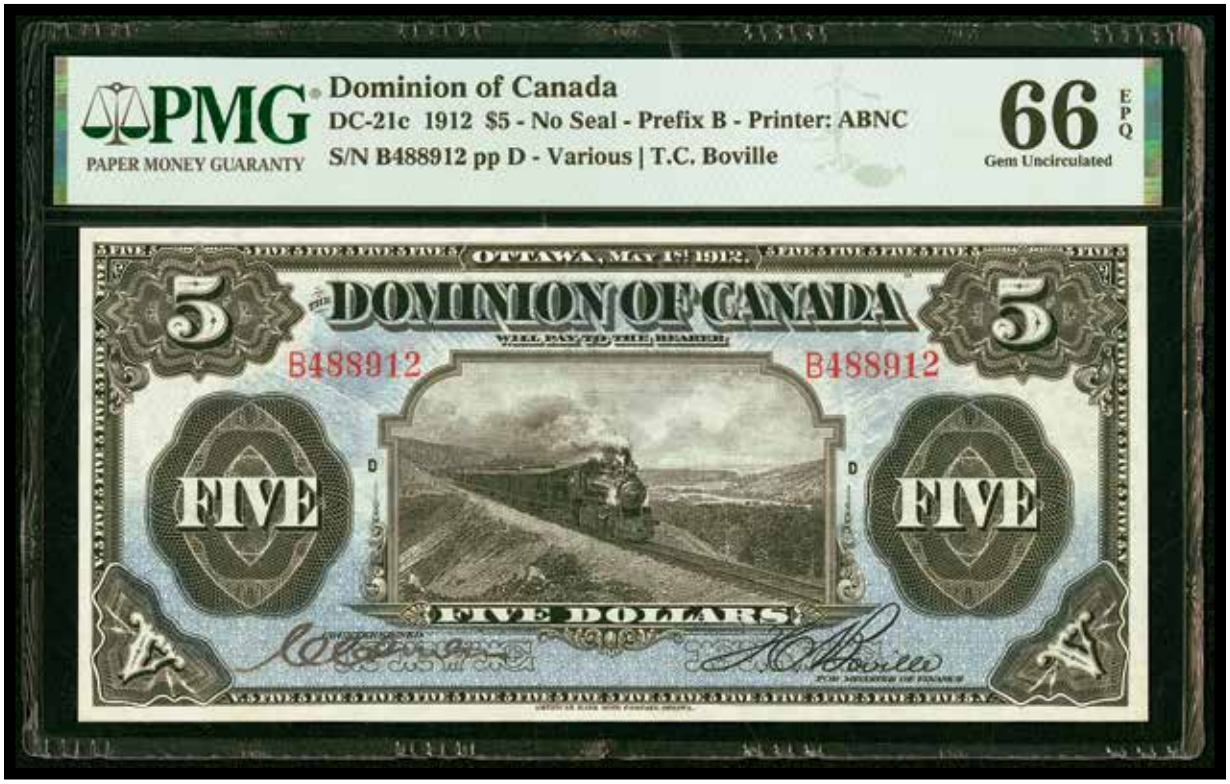
24031 **Canada** Dominion of Canada $1 31.3.1898 DC-13b **PMG Choice Very Fine 35 EPQ**.
A delightful 1898 offering with visually crisp paper and bright colors. Canadian notes of this era are generally uncommon with EPQ status. Just some vertical folding is seen on this original note. The hand-signed signature at bottom left has remained bold and fresh. Much better than typical and desirable.
Starting Bid: $400

24032 **Canada** Dominion of Canada $2 2.7.1897 DC-14c **PMG About Uncirculated 53**.
A desirable type note, and one of the few to feature King Edward VII. However, at this time, Edward was still Prince of Wales, with Victoria as Queen. An impressive technical grade is seen on this example, along with bright colors and strong paper. The manuscript signature is bold as well. Rare in any grade but especially desirable in About Uncirculated grade.
Starting Bid: $1,250

24033 **Canada** Dominion of Canada $4 2.1.1902 DC-17b **PMG Very Fine 25**.
A relatively high grade is seen on this example, which actually presents better than typical for this interesting note. This variety, cataloged as DC-17b, is distinguished by the two large words "FOUR" in the upper corners. Bright colors and good paper are seen on this example, which also features a visible manuscript signature at bottom left. Pinholes.
Starting Bid: $600

Gem 1912 $5 "Train" Note



24034 **Canada** Dominion of Canada $5 1.5.1912 DC-21c **PMG Gem Uncirculated 66 EPQ**.
A gorgeous high grade example of this iconic design featuring the vignette of the Ocean Limited passenger train traveling through the Wentworth Valley in Nova Scotia. This is a Series B variety with no Finance Department seal and the signature of T. C. Boville. Exceptional paper quality and great centering highlight the 1912 issued note.
Starting Bid: $5,000

24035 **Canada** Dominion of Canada $1 17.3.1917 DC-23a-i **PMG About Uncirculated 55**.
A beautiful and high grade type note. The eye appeal and paper quality are better than average for this large sized type, which is often encountered with significant circulation.

Famous Queen Mary Dominion Issue

24036 **Canada** Dominion of Canada $5 26.5.1924 DC-27 **PMG About Uncirculated 53**.

A famously rare and desirable type note. Although 2 million notes were printed, only approximately 1/3 of that total was issued into circulation. Dominion of Canada generally issued small denominations, and chartered banks issued the denominations $5 and higher. As such, there seemed to be a limited need for a government issue $5 note, and over a 10 year span, only approximately 600,000 to 700,000 were issued. Few were saved, and as a result, this type is generally rare today. This excellent example has terrific eye appeal for the type, with fresh and bold colors. A tiny spot of roughness and a tear in the top margin are mentioned for accuracy. A rarely seen type note featuring Queen Mary, wife of King George V.

Starting Bid: $6,000

24037 **Canada** Dominion of Canada $5 26.5.1924 DC-27FP Proof **PMG Choice Uncirculated 64**.
A handsome Proof featuring Queen Mary. The face side of this famously rare note has been mounted to large cardstock for rigidity. Uncommon and a great way to obtain this design.
Starting Bid: $750

24038 **Canada** Bank of Canada $2 1935 BC-3 English Text **PCGS Very Choice New 64PPQ**.
Queen Mary is portrayed on this exemplary $5 banknote from the Bank of Canada's 1935 series. This series lasted approximately two years, at which time a new series was issued featuring King George VI. Completely original and Uncirculated paper is easily seen through the third party holder. Rare in this grade.
Starting Bid: $750

24039 **Canada** Bank of Canada $20 1935 BC-9b English Text **PMG Choice Extremely Fine 45 EPQ**.
An iconic type note, and the first to feature Queen Elizabeth II, then Princess Elizabeth at age 8. A small Bank of Canada seal is seen at front right. Print totals were small, as this banknote was issued for approximately two years before being replaced by a new 1937 series. Rare in any grade and especially desirable in the best of collector grades.
Starting Bid: $2,000

24040 **Canada** Bank of Canada $20 1935 BC-9b English Text **PMG Very Fine 30**.
This was the first banknote to feature the portrait of Princess Elizabeth, who would become Queen Elizabeth II in 1952. A small seal at front and English text are seen on this variety. PMG mentions a small annotation on the front.
Starting Bid: $600

High Grade Commemorative Banknote Rarity

24041 **Canada** Bank of Canada $25 6.5.1935 BC-11 Commemorative Issue English Text **PMG Choice About Unc 58**.
The Silver Jubilee of King George V and Queen Mary is the theme of this handsome banknote. Windsor Castle is beautifully engraved on the back, which completes the theme of celebrating the King and Queen. Print totals of this Commemorative banknote were small, and issuance continued for approximately two years before the series was suspended. Only a trace of circulation or handling is present on this significantly better than typical, famous banknote.
Starting Bid: $4,000

A Popular Royal Commemorative Variety

24042 **Canada** Bank of Canada $25 6.5.1935 BC-11 Commemorative Issue English Text **PMG Extremely Fine 40**.
A beautiful and extremely popular banknote, especially so in this excellent grade. Only mild circulation is present, with all design elements on full display. This Commemorative note celebrated the 25th Anniversary of Reign for King George V and Queen Mary. A mere 140,000 pieces were printed in English, and after only two years, this note was withdrawn and replaced by a new series featuring King George VI. An iconic banknote.
Starting Bid: $3,000

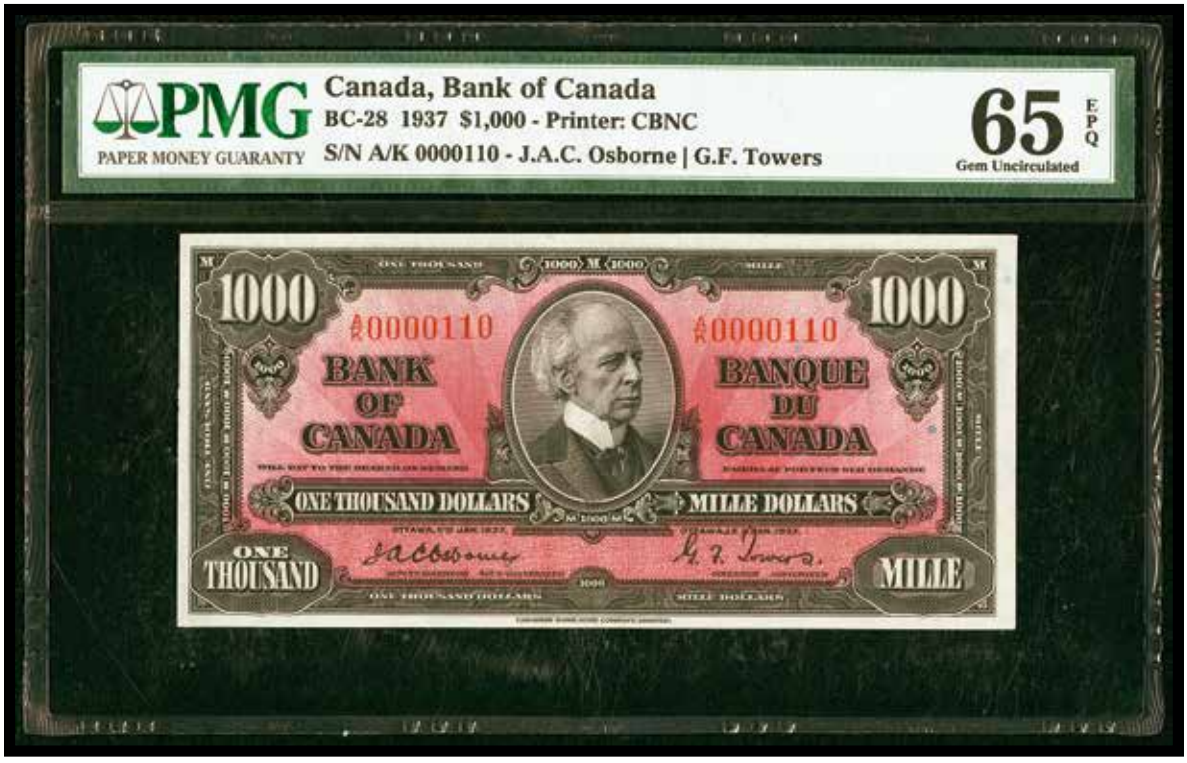
Stunning 1937 $1,000 in Gem



24045 **Canada** Bank of Canada $1000 2.1.1937 BC-28 **PMG Gem Uncirculated 65 EPQ**.
Canadian Banknote Company printed this issue. The print run was tiny, just 15,000 pieces, and was intended to replace the 1935 issue. However, they were not released until 1952. Elizabeth II's inauguration immediately followed, and no additional notes of this series were needed. The back designs of the 1937 issues are some of the finest engravings from the CBC. This back design is printed in rose pink, paired with rays of underprinted details around Sir Wilfred Laurier's portrait on the face. Low serial number 110 is noted. The margins are ideal front to back, with bold colors and embossing. A wonderful example of the type.

24051 **Canada** Bank of Canada $1000 1988 BC-61a **PMG Superb Gem Unc 67 EPQ**.
Highest denomination of the 1980s series. Canada's $1000 Banknote is a popular type with collectors due to its enormous face value and relative scarcity in high grade today. This variety, with the signatures of Thiessen and Crow, had a print total of 1,880,000. An excellent technical grade adds to the desirability of this famous type note.
Starting Bid: $1,000

24052 **Canada** Bank of Canada $1000 1988 BC-61b **PMG Superb Gem Unc 67 EPQ**.

Rarely Seen Bank of Acadia Issued Banknote

24053 **Canada** Liverpool, NS- Bank of Acadia $5 2.12.1872 Ch.# 5-10-04 **PMG Choice Fine 15**.
The Bank of Acadia is a fascinating story of an ill-fated bank in a small city in Nova Scotia. The bank only operated for four months. After its failure, banknotes became worthless, since they were not able to be redeemed. Due to the bank's incredibly short lifespan, issuance was small, and few are extant to be collected today. To date, PMG has graded only three examples of this Five Dollar banknote, all grading Choice Fine 15. This is a fantastic and extremely rare note from Canada's briefest issuing bank.
Starting Bid: $4,000

24054 **Canada** Montreal, PQ- Bank of British North America $10 3.7.1889 Ch.# 55-22-08 **PMG Very Fine 30**.
An always desirable Queen Victoria banknote, generally rare in any grade. The manuscript signature at bottom left is bold and clear. Better than typical and one of the most popular of all Canadian notes of this era.
Starting Bid: $600

24055 **Canada** Toronto, ON- Canadian Bank of Commerce $20 2.1.1888 Ch.# 75-14-30S Specimen **PMG Choice Uncirculated 64**.
A handsome and rare Specimen for a higher denomination in the 1888 series. This type is extremely rare in issued form, which leaves Specimen as the more prudent mode to acquire the design. All colors are bold and clear. Three hole punched cancellations and overprinted cancellations are mentioned for accuracy. There are mounting remnants on the back right margin as well.
Starting Bid: $600

24056 **Canada** Toronto, ON- Canadian Bank of Commerce $50 3.7.1893 Ch.# 75-14-44S Specimen **PMG Gem Uncirculated 65 EPQ**.

24067 **Canada** Montreal, PQ- Molsons Bank $5 1.6.1880 Ch.# 490-22-08 **PMG Choice Fine 15**.
Molsons Bank issues from the 19th-century are surprisingly rare and very collectable today. This interesting $5 note is one of only two pieces currently graded in the *PMG Population Report*. Heavily circulated but essentially problem-free, this piece is especially desirable with a bold handwritten signature at bottom left. Although there are numerous dates for the $5 denomination from 1872 to 1901, some are only known in institutional collections, which means print totals were small and few survive to be enjoyed by collectors today. Do not miss the opportunity to acquire this seriously rare type note.

Canadian Chartered Bank notes printed in the highest denominations are notoriously rare in most instances. This beautiful and desirable $100 from Nova Scotia is a famed rarity, as only 8,000 notes were printed bearing a serial number between 14,001 and 22,000. The Standard Bank of Canada operated from 1876 to 1928 and issued numerous banknote series. Higher denomination notes are scarce, as fewer notes were printed and most were redeemed long ago. This handsome $20 is simply excellent for the type, with minimal folding and EPQ status. Printer records indicate that approximately 90,000 to 100,000 notes of this date were printed, which includes all plate letters and three signature varieties. An elite example of a very rare banknote, as PMG has graded a mere five examples at the time of cataloging.

At the time of cataloging, PMG has graded only three pieces, all of which grade Very Fine. Notes of this series are short lived, as they were replaced four years after the first issue by a new series featuring Bartolomeu Dias.

Starting Bid: $400

An exemplary, famous banknote featuring the Mona Lisa. Printed by Waterlow & Sons, this note is rare in issued and Specimen format. This beautiful Specimen was prepared in a Color Trial format, and has been hole punch cancelled. Specimen notations in the margins and red overprints finish the Specimen. Especially desirable with EPQ status.

24098 **Costa Rica** Banco Internacional de Costa Rica 10 Colones 4.1.1919 Pick 175a **PCGS Banknote Choice VF 35**.

A beautiful and very rare banknote in any grade, and especially remarkable in this state of preservation. All design elements on both sides are clear, thanks to crisp paper and only light circulation. A special offering, worthy of consideration, as Costa Rica notes of this era are seldom seen in any decent collector grade.

Starting Bid: $1,000

24099 **Costa Rica** Banco Internacional de Costa Rica 5 Colones 30.3.1926 Pick 185a **PCGS Banknote Choice XF 45**.

An amazing and very pretty banknote, seldom seen in anything close to this grade. Most extant examples are well circulated to the point of fragile paper and worn out design elements. This offering is anything but, with bright colors, minimal folds, and clean margins. This note is from the second to the final series of notes issued by the Banco Internacional de Costa Rica.

Starting Bid: $750

24100 **Costa Rica** Banco Nacional de Costa Rica 2 Colones 22.6.1938 Pick 195b **PMG Choice Uncirculated 64**.

An Incredible Unissued Variety in High Grade

24101 **Cuba** Banco Nacional de Cuba 5 Pesos ND (1905) Pick 67 **PMG Choice Uncirculated 64**.
An always popular and desirable type, and one that was never officially authorized for release. Apparently small quantities were issued before authorities could shut down the bank's emission operations. This example has been kept for posterity and has thankfully been well preserved for more than a century. To date, a mere 14 survivors have been graded in the *PMG Population Report*.
Starting Bid: $2,500

Elusive Unissued High Denomination 10 Pesos From 1905

24102 **Cuba** Banco Nacional de Cuba 10 Pesos ND (1905) Pick 68 **PMG Choice Uncirculated 64**.
A desirable and interesting type note with a dubious history. This "unofficial" National Bank was apparently not supposed to issue banknotes, and after a batch of notes was released, the government ordered the unissued stock be destroyed. Only a small number of extant examples are available to be enjoyed by collectors. Toned margins and a few rust specks are mentioned for accuracy.
Starting Bid: $2,500

24103 **Cuba** Republica de Cuba 1000 Pesos 1945 Pick 76b **PMG Extremely Fine 40**.
Highest denomination of the silver certificate series that was issued from 1934 to 1949. The 1000 Pesos was issued bearing only three dates; 1944, 1945, and 1947. All dates are very rare, especially so in the best of collector grades. Interestingly, PMG has graded only 18 examples of the 1945 dated 1000 Pesos, all of which are various states of circulated condition, with no Uncirculated examples presently graded. Only a few light folds are seen on this Extremely Fine example. Rare and desirable to collectors worldwide who appreciate high denomination banknotes.
Starting Bid: $750

Elusive AU George V Shilling With EPQ

24104 **Cyprus** Central Bank of Cyprus 1 Shilling 1.3.1920 Pick 14 **PMG About Uncirculated 55 EPQ**.
An utterly remarkable banknote, both in rarity and in state of preservation. Cypriot banknotes featuring King George V are notoriously rare, as print totals were small and virtually none were saved for posterity. This small change note was printed to alleviate a shortage of sterling coinage in the colony. Just a tick of circulation is present on this offering, which is currently the second finest example graded in the *PMG Population Report*. The rarity of this banknote cannot be overstated and its eye appeal is virtually without compare for colonial notes of this era.
Starting Bid: $6,000

Part of a terrific Danzig collection of issued notes and Specimen offered in today's auction. Excellent with a desirable Bradbury, Wilkinson & Company engraving.

Starting Bid: $1,500

Incredible, pack fresh qualities are seen on both sides of this highest denomination rarity. Thankfully, a small cache was saved, because otherwise, this type would be virtually unseen as issued. We have only offered this denomination in this grade once previously. A pretty banknote, very rare, and especially desirable at this grade level. At the time of cataloging, only one example grades finer in the *PMG Population Report*.
Starting Bid: $2,500

24112 **Danzig** Bank of Danzig 20 Gulden 2.1.1932 Pick 60cts Color Trial Specimen **PMG Gem Uncirculated 66 EPQ**.
A scarce Color Trial Specimen is offered in this lot, displaying grey, purple, and blue hues instead of the earth tones seen on the issued note. Rare in this prototype format and quite a pretty printer creation. Although *PMG* calls this example a Specimen Proof, it is our opinion that its was most likely a Color Trial Specimen. Hole punched cancelled.
Starting Bid: $750

24113 **Danzig** Bank of Danzig 20 Gulden 2.1.1932 Pick 60cts Color Trial Specimen **PMG Gem Uncirculated 66 EPQ**.

Rare in this format and part of a small set of Color Trials offered in this auction which show how color schemes are determined during the process of banknote creation. Although *PMG* calls this example a Specimen Proof, it is our opinion that its was most likely a Color Trial Specimen. Hole punched cancelled.
Starting Bid: $750

A rare, large-size uniface note issued under British administration of its East Africa colonies. Printed by Thomas De La Rue & Co., Ltd. on heavily watermarked paper. This item is the first date of the second Mombasa issue of 10 Rupees. All of these early issues are highly sought after and notes like this one are especially prized. There is a tiny hole in the center and some soiling on the fold lines on the back, otherwise the paper is original with no tears, stains, graffiti or missing pieces typical of this issue. The face is bright and clean.

This is an ex Ruth W. Hill Collection note and included with the note is some provenance, a letter to Mrs. Hill from B. M. Ishmail of The Standard Bank Ltd. of Zanzibar dated December 18, 1964, which inter alia thanks Mrs. Hill for purchasing the 10 Rupee note for $45.00 (!) and discusses the various banknotes issued under early British administration.

24163 **French Guiana** Caisse Centrale de la France Libre 1000 Francs 2.2.1944 Pick 18b **PMG Choice Fine 15**.
A mere 30,000 pieces of this high denomination note were overprinted for use in French Guiana, within the serial number range of 680,001 to 710,000. This example was well-circulated, but all design elements remain in full view. A rusty set of staple holes are mentioned for accuracy. A rare note in any grade, as PMG has graded just two examples at the time of cataloging. Despite a 1944 date on the back, this black serial number variety was not actually issued in French Guiana until 1947.
Starting Bid: $1,500

24164 **French Guiana** Caisse Centrale de la France Libre 5000 Francs ND (1960) Pick 28s Specimen **PMG Choice Uncirculated 64 EPQ**.

Starting Bid: $500

24167 **German Southwest Africa** Kassenschein 5 Mark 8.8.1914 Pick 1a **PMG Choice About Unc 58**.
A desirable and rare German colonial issue, especially so in this elite grade. Just a touch of circulation and some pinholes are mentioned for accuracy. Circulation of this series of notes could have ended in 1920, when Southwest Africa was transferred to South African governance. At the time of cataloging, PMG has graded a mere five examples of this elusive type.
Starting Bid: $1,250

24168 **Germany** Imperial Bank Note 20 Billionen Mark 5.2.1924 Pick 138 **PMG About Uncirculated 50 EPQ**.
An extremely high denomination from Germany's banknote series dated February 1924. Banknotes denominated in "Billions" circulated for only a few months in 1924 before being redeemed for new "Reichsmark" notes. Only brief circulation atop original paper is seen on this example.
From The Louis Winterfield Collection
Starting Bid: $400

24169 **Great Britain** Bank of England 100 Pounds 28.5.1914 Pick 308b **PMG Very Fine 25 Net**.
A large format offering issued in Manchester, this type is rare in any grade and missing from many collections. This World War I era banknote represented an impressive sum of money, and as such, few were printed and usage was not widespread. In fact, all banknotes featuring the signature of John Gordon Nairne are rarely seen today. Annotations.
Starting Bid: $500

24170 **Great Britain** Bank of England, London 100 Pounds 20.1.1934 Pick 332 **PMG About Uncirculated 55**.
A desirable ultra-high denomination note, issued during an era of global depression. The technical grade of this gigantic banknote is remarkable, as it was apparently only used briefly before being stored away. Problem-free, with good embossing and strong eye appeal for the series. Scarce in any grade and a popular denomination with collectors.
Starting Bid: $1,500

24171 **Great Britain** Bank of England 5 Pounds 5.12.1944 Pick 342s Specimen **PMG About Uncirculated 50**.
An interesting and rare large white "Fiver" note, seldom seen in Specimen form. Two red overprints are seen on the front, along with solid zero serial numbers. Strong embossing is seen on the back of this uniface type. The PMG holder mentions pinholes.
Starting Bid: $600

24172 **Great Britain** Bank of England 10 Shillings ND (1915) Pick 348b **PCGS Extremely Fine 45PPQ**.
An overprinted World War I type, rare in any grade and exceptional at this grade level. These notes were overprinted and used by British Forces in Turkey. The thin paper was subject to tears and stains, in addition to standard wear and tear, which makes this note even more impressive.
Starting Bid: $500

24173 **Great Britain** Bank of England 1 Pound ND (1914) Pick 349a **PMG Choice Uncirculated 64**.
An elite graded banknote, printed on terribly thin paper and therefore prone to damage. This example is remarkable, with fully unfolded paper and excellent eye appeal. A small tear is mentioned for accuracy. Difficult to find in such a good collector grade.
Starting Bid: $500

Starting Bid: $400

24175 **Great Britain** Bank of England 1 Pound ND (1940-48) Pick 367c **PMG Extremely Fine 40 EPQ**.
A rare overprinted note, taken by German authorities from Guernsey vaults during World War II. The overprint at front features a comma in the date, and it is very rare at such. Perhaps as few as 35 pieces of this overprinted type survived to be collected today. Desirable, especially in this excellent grade with EPQ status.

Starting Bid: $600

24176 **Great Britain** Bank of England 10 Shillings ND (1948-60) Pick 368s Specimen **PMG Choice Uncirculated 64**.

24177 **Great Britain** Bank of England 1 Pound ND (1948-60) Pick 369cts Color Trial Specimen **PMG Choice Uncirculated 64**.
A delightful and rare Specimen. PMG mentions "Color Trial" inking, which must be extremely discreet. Staple holes and a tasteful overprinted cancellation are mentioned for accuracy. Specimen of this post-World War II series are rare.
Starting Bid: $400

Impressive 1 Million Pound Treasury Bill

24178 **Great Britain** Bank of England Treasury Bill 1 Million Pounds 8.9.2003 Pick Unlisted **PMG Choice Uncirculated 64.**
Seldom seen and assuredly not easy to obtain, this uniface, gigantic denomination harkens back to the days of the old white notes issued by the Bank of England until the late 1950s. This bond was issued on the same day as the 10,000,000 bond was also issued. Prior to September 2008, the bonds were issued to bearers, and the individual banks sent couriers to pick them up each week. On May 2 of that year, courier name John Goddard picked up the allotment of bonds for Sheppard's, and was robbed at knifepoint on his return to the brokerage. The thieves made off with £292,000,000, making it one of the largest robberies of all time. A stamped cancellation is most likely the reason that this large financial instrument has entered the collectible marketplace. Missing from many collections of English currency.
Starting Bid: $2,000

Rarely Seen 10,000,000 Pound Treasury Bill

24179 **Great Britain** Bank of England Treasury Bill 10 Million Pounds 8.9.2003 Pick Unlisted **PMG Choice Uncirculated 64.**
This incredible, interesting, and virtually unique offering is seldom seen in the collectibles marketplace. This enormous denomination is not intended for the general public. The British Government would issue these notes twice a week in order to manage its short-term borrowing policy, providing financial security in case of a cash shortfall. These Treasury Bills ranged in maturities from one month all the way to twelve months.

Physical Treasury Bills are now a concept of the past and are no longer printed. The system is now operated by the Debt Management Office, which is an Executive Agency of the Treasury. It appears that this example is only available due to the fact that it has been stamped cancelled. The serial number 012831 indicates that this "old fashioned" financial tool was still used behind the scenes in the United Kingdom. The last of the Treasury Bills were printed in September of 2003, so this example was printed less than a month before physical copies ceased to be printed. An important opportunity to acquire a seriously rare and interesting Treasury Bill.
Starting Bid: $4,000

Rarely Seen 100 Drachmai of 1871

24180 **Greece** National Bank of Greece 100 Drachmai / Francs 27.7.1871 Pick 32 **PMG Choice Fine 15**.
An elite Greek banknote, and part of a desirable series denominated in Drachmai and Francs. This was the second highest denomination in the series that was issued during the 1870s and 1880s. Based on the dual currency scheme seen on this note, it appears the Drachma was pegged to the French Franc during this era in order to facilitate commerce with other Western European countries. All details remain bright and vivid on this example despite circulation and age. Minor repairs were executed to fortify the paper. Quite excellent, very rare, and historic.
Starting Bid: $2,000

24181 **Greece** National Bank of Greece 25 Drachmai 1888-97 Pick 38 **PMG Very Good 10**.
A fantastic and rare 19th-century offering. This example presents significantly better than its technical grade. The stamped date is almost completely visible despite nearly 135 years that have passed. Notice the as-made curvy right margin which remains undamaged. This is only the second example we have offered and one of the rarer Georgios Stavros portrait notes in the National Bank series.
Starting Bid: $1,500

24182 **Greece** National Bank of Greece 5 Drachmai 1897 Pick 42 **PMG Choice Fine 15**.
A rarely seen 19th-century note and a popular Bradbury, Wilkinson & Company printing. Well circulated but free of problems. Only the second example we have offered.
Starting Bid: $400

24183 **Greece** National Bank of Greece 10 Drachmai 1900 Pick 46 **PMG Fine 12**.
An unusual and seldom seen note, from the final year of the 19th century. Circulated but problem-free. An interesting Bradbury, Wilkinson & Company note that is not generally offered in any grade.
Starting Bid: $400

24184 **Greece** National Bank of Greece 25 Drachmai 1903 Pick 47 **PMG Fine 12**.
A scarce issue from the 1903 series, this piece is fully intact and with good eye appeal for the grade. This is the first we have offered.
Starting Bid: $400

24185 **Greece** National Bank of Greece 100 Drachmai 1900 Pick 48 **PMG Choice Fine 15**.
A pretty and rarely seen Bradbury, Wilkinson & Company type note. In fact, we have not offered this type in the past. Despite circulation, all design elements remain visible. Not to be missed as this banknote is seldom encountered today.
Starting Bid: $500

24186 **Greece** National Bank of Greece 500 Drachmai 1914 Pick 56 **PMG Choice Fine 15**.
A scarce and desirable type from this short series issued from 1905 to 1918, this was the second highest denomination of the series. It now proves challenging to obtain in any grade. A tape repair is mentioned for accuracy. Otherwise, this example is quite decent for the assigned grade.
Starting Bid: $400

24187 **Greece** National Bank of Greece 1000 Drachmai = 500 Drachmai ND (1922) Pick 63 **PMG Very Fine 25**.
This highest denomination note was split and circulated as half the value. Uncommon and the highest value of the "Cut In Half" series of 1922. Problem-free and scarce.
Starting Bid: $400

24188 **Greece** National Bank of Greece 1000 Drachmai 1922 Pick 69 **PMG About Uncirculated 50 EPQ**.
Highest denomination of the "New" series, as evidenced by the *NEON* overprint seen atop the crest at front right. Just a brief amount of circulation is present atop original paper, leading to a striking visual appeal. Rare today in any grade, and an especially good note in this excellent grade. Only a small number are currently graded finer in the *PMG Population Report*, with none cracking the Uncirculated threshold.
Starting Bid: $750

24189 **Greece** National Bank of Greece 100 Drachmai 1923 Pick 76 **PMG Very Fine 20**.
A smaller sized note that is quite uncommon in the marketplace today. Interestingly, although PMG has graded 18 examples of this note, none of them currently grade higher than extremely fine. Apparently this denomination was not saved for posterity and only a small amount remain extant. This example is problem-free with usual circulation.
Starting Bid: $400

24190 **Greece** National Bank of Greece 500 Drachmai 1923 Pick 77 **PMG Extremely Fine 40**.
An interesting and rarely seen high denomination, with a pretty engraving of Hagia Sophia on the back. Notice the interesting cut cancellation at front bottom right. A scarce issued banknote. At the time of cataloging, this example is tied for the finest grade in the *PMG Population Report* of only three pieces currently graded.
Starting Bid: $500

24191 **Greece** National Bank of Greece 1000 Drachmai 1926 Pick 83 **PMG Very Fine 25**.
This rare banknote portion represents 1/3 to 1/4 of the fully printed 1000 Drachmai note of Pick 69. Rare in this torn format. A small notation is seen on the back.
Starting Bid: $400

24192 **Greece** Bank of Greece 200,000,000 Drachmai 1944 Pick 167 **PMG Very Fine 20**.
An interesting and rare hyper inflation note issued during World War II occupation. Notice the new stamp and serial number, which were all applied to the back of the 5000 Drachmai host banknote. Stained but otherwise decent, this rare note is from a short series of only two denominations overprinted in this manner.
Starting Bid: $400

24193 **Greece** Bank of Greece 1 New Drachma ND (1953) Pick 185As Specimen **PMG Gem Uncirculated 65 EPQ**.
An interesting and unusual Specimen, rarely seen today. This type is the initial denomination of a prototype series that was designed by Waterlow & Sons but never issued. At the time of cataloging, this is the first and only example graded in the *PMG Population Report*. Part of an excellent group offered in today's auction. Perforated cancelled as customary.
Starting Bid: $500

24194 **Greece** Bank of Greece 5 New Drachmai ND (1953) Pick 185Bs Specimen **PMG Gem Uncirculated 66 EPQ**.
A pretty and rarely seen unissued design created by Waterlow & Sons. A revaluated series of "New Drachmai" notes were planned to some extent, as evidenced by this prototype, but ultimately were never issued. This pretty Specimen is perforated cancelled. Part of a rarely seen series offered in today's auction. At the time of writing, this is the only example of this type graded in the *PMG Population Report*.
Starting Bid: $600

24195 **Greece** Bank of Greece 10 New Drachmai ND (1953) Pick 185Cs Specimen **PMG Gem Uncirculated 66 EPQ**.
In 1953, a short series of notes, denominated in "New Drachma / Drachmai" were created by Waterlow & Sons. Ultimately, these notes were not issued, and as such are only available in prototype formats. This excellent Gem grade Specimen was the second highest denomination of this unissued series. Perforated cancelled and a rarely seen design. At the time of cataloging, this is the only example graded in the *PMG Population Report*.
Starting Bid: $600

24196 **Greece** Bank of Greece 10 Drachmai 1954 Pick 186 **PMG Gem Uncirculated 65 EPQ**.
A challenging and rare small denomination banknote, especially so in Gem Uncirculated grade, this key note from 1950s Greece is a type often missing from high grade collections.
Starting Bid: $400

24197 **Greece** Cassa Mediterranea di Credito per la Grecia 20,000 Drachmai ND (1941) Pick M9 **PMG Choice About Unc 58 EPQ**.
A handsome, highest denomination type note. Generally scarce in any grade but quite excellent as presented, with just the briefest trace of circulation or handling. This series of notes featured a general design for Italian Occupation notes issued during World War II. Unissued sets prepared for Egypt and Sudan have brought this type note back into the spotlight. Quite pretty and perhaps underrated.
Starting Bid: $400

24198 **Guadeloupe** Banque de la Guadeloupe 1 Franc ND (1920) Pick 12 **PMG Choice About Unc 58 EPQ**.
An amazingly rare small change note from the 1920s series of notes issued in Guadeloupe. This note appears to feature the 33rd serial number for the note: Serie 001. 000,033. Only a tick of handling or circulation is present. Rare in any grade but quite impressive as offered. The first and only example graded by PMG at the time of cataloging.
Starting Bid: $400

24199 **Guadeloupe** Banque de la Guadeloupe 2 Francs 1920 Pick 13 **PMG About Uncirculated 53**.
At the time of cataloging, this small change note is the only example graded in the *PMG Population Report*. Surprisingly rare, this underrated rote actually presents quite nicely. A small serial number from the first series adds desirability. Missing from many collections.
Starting Bid: $400

24200 **Guadeloupe** Banque de la Guadeloupe 1 Franc ND (1870-1900) Pick 20Cr Remainder **PMG Choice Fine 15 Net**.
This rare and early Bank Cheque type note is seldom seen today. This example is deemed a remainder, quite rightfully. Interestingly, it features extensive wrinkling or circulation and subsequent repairs. This is the first we have offered.
Starting Bid: $400

24201 **Guadeloupe** Banque de la Guadeloupe 500 Francs ND (1942) Pick 24a **PMG Choice Fine 15 Net**.

A stunning and very rare type note, and at the time of writing this is one of only two pieces graded in the *PMG Population Report*. While this example has been repaired and reconstructed, the note faces up nicely as the work was executed quite tastefully. A Caribbean rarity that is almost never seen and therefore worthy of consideration.

24203 **Guadeloupe** Banque de la Guadeloupe 1000 Francs ND (1942) Pick 26a **PMG Very Fine 20**.

A famously rare and pretty high denomination banknote. E.A. Wright supplied banknotes to some French colonies during World War II, hence this note has a different appearance from other French printed banknotes. Circulated, void of problems, and worthy of consideration, this denomination is seldom seen in issued format.

Starting Bid: $400

24204 **Guadeloupe** Banque de la Guadeloupe 1000 Francs ND (1942) Pick 26Aa **PMG Choice Fine 15**.

This interesting and very rare highest denomination banknote is complementary to the oversized 1000 Francs in the series. Perhaps the larger note was deemed cumbersome which prompted E.A. Wright to print a note with more manageable dimensions. Rare and seldom offered.

Starting Bid: $500

24205 **Guadeloupe** Caisse Centrale de la France d'Outre-Mer 1000 Francs 1944 Pick 30b **PMG Choice Fine 15**.

Starting Bid: $600

24206 **Guadeloupe** Caisse Centrale de la France d'Outre-Mer 1000 Francs ND (1947-49) Pick 37a **PMG Choice About Unc 58 EPQ**.

Starting Bid: $400

24207 **Guadeloupe** Caisse Centrale de la France d'Outre-Mer 5000 Francs ND (1960) Pick 40s Specimen **PMG About Uncirculated 55 EPQ**.

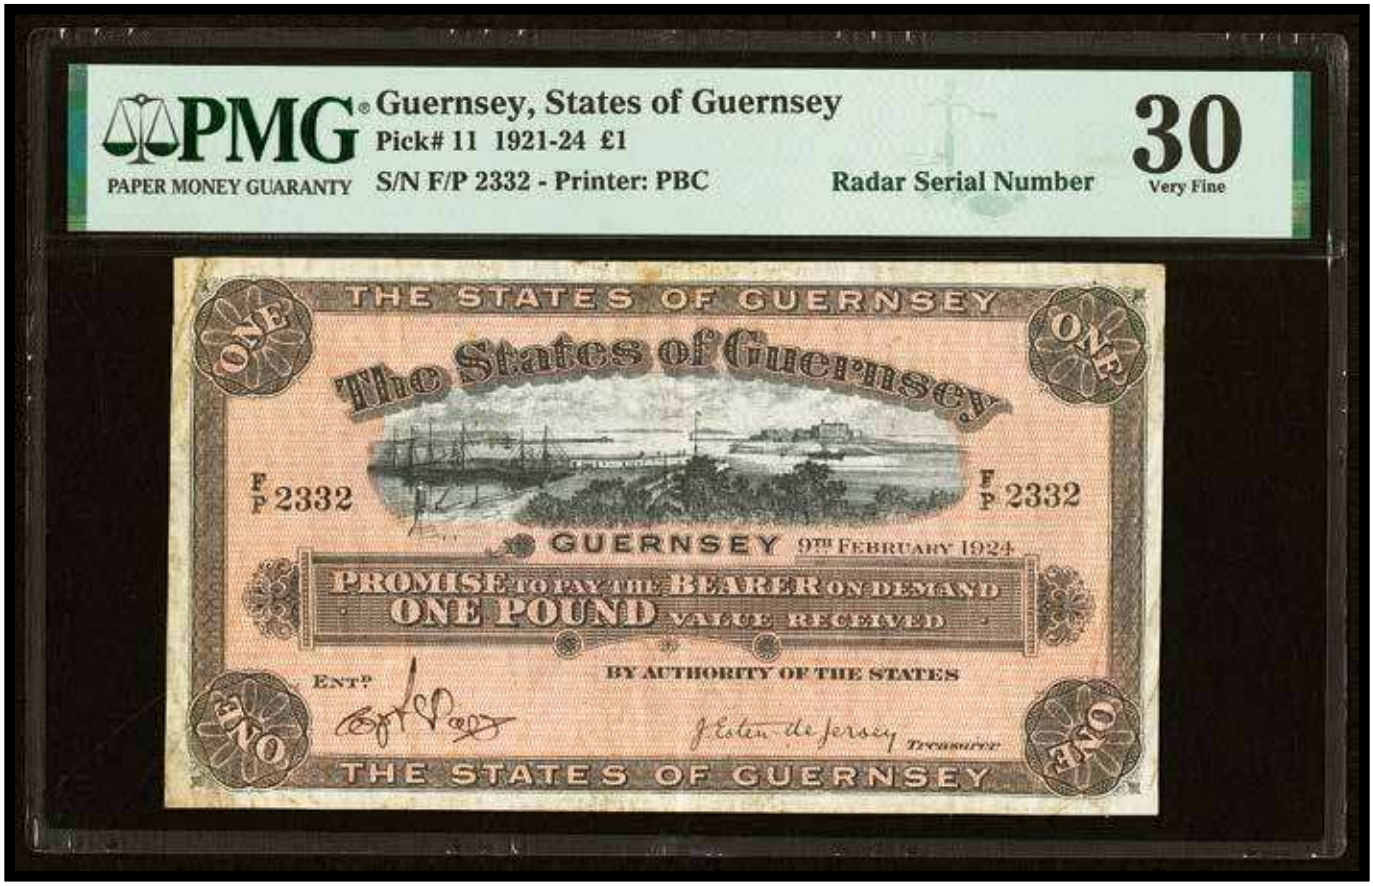
Rarely Seen 1924 Dated 1 Pound



24209 **Guernsey** States of Guernsey 1 Pound 9.2.24 Pick 11 **PMG Very Fine 30**.

A desirable and rarely seen type note. Although 445,000 were issued across all dates from 1921 to 1925, only 1,500 were outstanding after redemption in 1945. This interesting example has the benefit of a Radar Serial Number. Guernsey banknotes issued before World War II are notoriously rare and are in demand by collectors worldwide. At the time of cataloging, this is the first and only example graded in the *PMG Population Report*.

24210 **Guernsey** States of Guernsey 10 Shillings 5.6.1937 Pick 15 **PMG Choice About Unc 58 EPQ**.
A rarely seen and desirable type note, with only 468,000 issued and a mere 1,200 unredeemed as of 1945. This example is fresh and original, with only a touch of handling or circulation. Rare in any grade and simply amazing in this state of preservation. A near solid serial number adds to the desirability. A rare type that was short-lived due to the German occupation of Guernsey during World War II.
From The Drs. Joanne and Edward Dauer Collection
Starting Bid: $1,000

24211 **Guernsey** States of Guernsey 1 Pound 1.7.1939 Pick 16a **PMG Choice Very Fine 35 EPQ**.
A terrific and rare banknote, with a small issuance and few survivors to be sought after by collectors today. Across all dates from 1933 to 1940, only 820,000 notes were issued, with only 2,600 unredeemed as of 1945. This example has minimal folding atop original paper and is fully deserving of its EPQ status. At the time of writing, this is the single finest graded example in the *PMG Population Report*, of only five notes in the census.

24216 **Guernsey** States of Guernsey (German Occupation) 2 Shillings 6 Pence 1.1.1942 Pick 25A **PMG Gem Uncirculated 66 EPQ**.

In fact, this 1942 dated note is especially rare, with a mere two pieces currently graded in the *PMG Population Report,* with this being the finest. Pretty blue paper and ink remain in its original state and the eye appeal is much better than average. A rare offering amongst a fantastic group of Guernsey notes in today's auction.

24259 **Iraq** Government of Iraq 1 Dinar 1931 Pick 3a **PMG Choice Extremely Fine 45**.

A nicely preserved, pre-war Bradbury and Wilkinson & Co. product, using old school features like a watermark of King Faisal I and intaglio steel engraving. The first series of Iraqi Government notes was introduced in early 1932, replacing the Indian Rupee which circulated throughout the region previously. King Faisal I appeared on the front of all denominations. However, King Faisal suffered a fatal heart attack in 1933, and his son, Ghazi, replaced him on the next series of notes issued in 1934 and 1935. This handsome 1 Dinar features vivid colors, wide, clean margins, visible embossing, and only light circulation. The first of two possible signature variations is seen on this example: Young / Askari / Hornsby. A very desirable note, especially in this grade.

Desirable Issued King Ghazi 100 Dinars

24261 **Iraq** Government of Iraq 100 Dinars 1931 (ND 1936) Pick 12a **PMG Very Fine 20**.

Iraq's 100 Dinars banknotes of the Kingdom era are very rare and incredibly popular. All 100 Dinars notes of this era feature prefix A, with the serial numbers increasing with each ruling monarch. This offered example features King Ghazi I with the signature panel of Amery / Ayubi. It is estimated that approximately 5,000 notes were printed for this variety, and few were saved to be enjoyed today. This mid-grade example is surprisingly clean and intact, with embossed paper easily seen. Some typical notations and edge splits are mentioned for accuracy. As popular as ever and very rare.

24262 **Iraq** Government of Iraq 1/4 Dinar 1931 (ND 1941) Pick 13 **PMG Very Fine 20**.
A scarce issue featuring an impressive portrait of King Faisal II as a child. Deep green inks and detailed guilloche patterns remain clear on this two signature issue. The first series of government notes to feature King Faisal II were printed in India, as traditional printer Bradbury, Wilkinson & Company was unable to provide their services. Problem free and most definitely desirable.

Starting Bid: $750

24263 **Iraq** Government of Iraq 1 Dinar 1931 (ND 1941) Pick 15 **PMG Very Fine 20**.
A desirable and scarce World War II-era note, printed in India due to logistics issues concerning transport of notes from Europe. All design elements are on full display. Scarce in any grade and a very collectable issue. Stains.
From The Louis Winterfield Collection
Starting Bid: $500

24264 **Iraq** Government of Iraq 1/2 Dinar 1931 (ND 1942) Pick 17b **PMG Very Fine 25**.

24265 **Iraq** Government of Iraq 5 Dinars 1931 (ND 1942) Pick 19a **PMG About Uncirculated 53**.

Starting Bid: $1,000

24266 **Iraq** Government of Iraq 5 Dinars 1931 (ND 1942) Pick 19b **PMG Very Fine 25**.
Higher denomination from the 1942 series. Rare in any grade. A pen notation in the watermark area is mentioned for accuracy.
From The Louis Winterfield Collection
Starting Bid: $400

24267 **Iraq** Government of Iraq 1/2 Dinar 1931 Pick 23 **PMG Very Fine 30**.
A well preserved example of this highly collectable note, which is very rare in grades above Very Fine. This portrait of King Faisal II as a youth in white jacket was used on only two banknotes, the 1931 dated 1/4 and 1/2 Dinar, which were actually introduced in 1948. Interestingly, the 1/2 Dinar denomination is a key note of the two from this series. Minor stains are mentioned on this example by the third party grading company.
From The Louis Winterfield Collection
Starting Bid: $1,250

24268 **Iraq** National Bank of Iraq 1/4 Dinar 1947 (ND 1953) Pick 32 **PMG About Uncirculated 53 EPQ**.

From The Louis Winterfield Collection
Starting Bid: $400

24269 **Iraq** National Bank of Iraq 1 Dinar 1947 (ND 1953) Pick 34 **PMG Gem Uncirculated 66 EPQ**.
A simply fantastic, pack fresh banknote, rare in this incredible grade. In fact, a mere two notes grade higher in the *PMG Population Report* at the time of cataloging, in a census of 195 notes. The 1953 "thin lip" series was short-lived and is scarce, especially in high grade, as it was replaced by the "thick lip" series in 1955. This example is fully original and Uncirculated, with fresh paper and bold colors. Additionally, it is the first note in a fantastic consecutive pair offered in today's auction. See the subsequent lot for the sequential banknote.
Starting Bid: $1,500

24270 **Iraq** National Bank of Iraq 1 Dinar 1947 (ND 1953) Pick 34 **PMG Gem Uncirculated 66 EPQ**.
This is the second note in a rarely seen consecutive pair of notes offered in today's auction, both of which grade Gem Uncirculated. The notes comprising the 1953 emission, known as the Faisal II "thin lip" variety, are scarce, as they were issued for only two years before being replaced by a slightly modified design with thicker lips. As of writing, this note is currently tied for the second highest grade in the *PMG Population Report*. See the previous lot for the first note in this terrific consecutive pair.
Starting Bid: $1,500

24271 **Iraq** National Bank of Iraq 1 Dinar 1947 (ND 1953) Pick 34 **PMG About Uncirculated 55**.

24272 **Iraq** National Bank of Iraq 1/4 Dinar 1947 (ND 1955) Pick 37 **PMG About Uncirculated 53 EPQ**.

From The Louis Winterfield Collection
Starting Bid: $400

24273 **Iraq** National Bank of Iraq 5 Dinars 1947 (ND 1955) Pick 40b **PMG About Uncirculated 55**.
Only a bit of circulation is present on this high denomination rarity. This is the first variety for the type featuring a small head watermark. Typically this denomination is found well worn and with repairs. This example is comment-free and desirable in this bona fide collector grade.
Starting Bid: $1,000

24274 **Iraq** Central Bank of Iraq 1/4 Dinar 1947 (ND 1959) Pick 42 **PMG About Uncirculated 55**.
A delightful 1/4 Dinar, seen with just a bit of circulation. This is the second to last variety of the type to feature King Faisal II. Becoming scarce in the best of grades.
From The Louis Winterfield Collection
Starting Bid: $500

24276 **Iraq** Central Bank of Iraq 1/4 Dinar 1947 (ND 1959) Pick 46 **PMG Extremely Fine 40**.
An always desirable small denomination, this note was issued before the Revolution which deposed the royal family. Minor repairs were executed to preserve this note which is challenging to obtain in any grade.
From The Louis Winterfield Collection
Starting Bid: $500

24275 **Iraq** Central Bank of Iraq 1/2 Dinar 1947 (ND 1959) Pick 43 **PMG Gem Uncirculated 65 EPQ**.

Starting Bid: $600

24281 **Isle Of Man** Isle of Man Bank Limited 5 Pounds 1.12.1936 Pick 6Aa **PMG Choice Extremely Fine 45**.
A remarkable highest denomination note with a tiny print total. For notes dated 1936, only serial numbers 11,401 to 14,400 were signed and issued. Of this tiny run of 3,000 notes, most have been redeemed or lost, with assuredly few remaining in Choice Extremely Fine grade. Very rare, quite pretty, and desirable.

24282 **Italian East Africa** Banca d'Italia 500 Lire 1938 Pick 3a **PMG Very Fine 25**.
A rare and desirable high denomination in the only banknote series issued for Italian East Africa. The notes in the series are similar to those issued in Italy at the time, but with different color schemes and a red overprint in the margins. A notation is mentioned on this handsome, circulated example.
Starting Bid: $500

24283 **Italian East Africa** Banca d'Italia 1000 Lire 1938 Pick 4a **PMG Very Fine 30**.
Highest denomination of the Lire series. During the inter-war period, Italian East Africa was comprised of Eritrea, Ethiopia, and Italian Somaliland. Banknotes featuring the same designs as Italian notes were issued in the colonies, but with different color schemes and red overprints in the margins. Rare in any grade, as circulation in Italian East Africa lasted only about four years, at which time the notes were withdrawn and sent back to Italy for circulation due to a currency shortage caused by World War II. This example is pleasing, with customary circulation and problem-free paper.
Starting Bid: $500

24284 **Italian Somaliland** Banca d'Italia 1 Rupia 13.5.1920 Pick 2a **PMG Very Fine 20**.
A very rare small denomination note from the desirable 1920 series of Rupees notes issued by the Bank of Italy. This is perhaps the only denomination that is sometimes obtainable, while the highest denominations are unconfirmed as issued. This series was supposed to be convertible into silver, and was widely used in Italian Somaliland until the East African Lire replaced the Rupee in 1925. Minor repairs were executed on this note to protect it for generations to come. Rare and a desirable African banknote. Repaired.
Starting Bid: $750

Impressive Gem Uncirculated 100 Somali of 1950

24285 **Italian Somaliland** Cassa Per La Circolazione Monetaria Della Somalia 100 Somali 1950 Pick 15a **PMG Gem Uncirculated 65 EPQ**.
One of Africa's most beautiful and most impressive banknotes, this is a type not generally encountered in any grade. The highest denomination of the beautiful 1950 series, this example features the first of three possible signature combinations for the type, that of Spinelli & Giannini. Only three pieces grade higher in the *PMG Population Report* at the time of cataloging of 17 notes recorded in the census.
Starting Bid: $5,000

24286 **Jamaica** Bank of Jamaica 5 Pounds 1960 Pick 52b **PMG About Uncirculated 50**.
A very pretty and rare type note, this is one that is a bit confusing unless you follow the prefixes. Approximately 400,000 notes were printed with variable-weight inking and Times New Roman text, prefixes JA-JD. The subsequent font type with the same signature is known with prefixes JE-JH. That is the simplest way to identify the subtle varieties of this note. Nevertheless, only brief circulation is present and all design elements present well. Rare in any grade.

Starting Bid: $500

24287 **Jamaica** Bank of Nova Scotia 1 Pound 2.1.1919 Pick S131s Specimen **PMG Gem Uncirculated 66 EPQ**.

24288 **Jamaica** Bank of Nova Scotia 5 Pounds 2.1.1920 Pick S132bs Specimen **PMG Superb Gem Unc 67 EPQ**.
A famously rare note in issued format, this is a stunning pretty type as a Specimen. The technical grade is outstanding on this note, which has even margins, sharp corners, Uncirculated paper, and complete originality. Hole punched cancelled and overprinted in black tastefully across the denominations at front. This is a beautiful high denomination design for Jamaica.
Starting Bid: $400

Short-Lived Emergency Issue Specimen

24289 **Japan** Bank of Japan 200 Yen ND (1927) Pick 37Bs Specimen **PMG Uncirculated 62**.
An incredibly rare and historically important Specimen, this type was issued as a result of Japan's 1927 financial crisis. Many factors in the preceding years came to a head in 1927, which lead the Bank of Japan to issue their entire stock of new and circulated banknotes. The Bank of Japan closed for two days, and an emergency printing of 50 and 200 Yen banknotes ensued. They were hastily created in order to meet cash demands. Because of the haphazard and rushed printing method, the quality of these emergency issues was so subpar that the 50 Yen was never released. The 200 Yen were only issued for two days. This handsome Specimen is of that ill-fated emergency type. Red "Mi-hon" overprints and hole-punched cancellations are noted on this example. Rust lightened.
Starting Bid: $2,500

24290 **Japan** Bank of Japan 1000 Yen ND (1945) Pick 45a **PMG Choice Very Fine 35**.
Highest denomination of the 1945 series. Only printed with Blocks 1-9. Issued in the summer of 1945 and withdrawn in March of 1946, most of these ultra high denomination notes did not survive to be collected today. This example is a delightful mid-grade note, with the added desirability of problem-free paper and good colors.

A complete set of denominations is offered in this lot. Staple holes are present on the 10 Shillings note, but otherwise, the balance of notes are comment-free. Each is rare in its assigned grade. A pleasing group.

24292 **Jordan** Jordan Currency Board 5 Dinars 1949 Pick 3a **PMG Gem Uncirculated 66 EPQ**.

A beautiful and original example of this higher denomination from Jordan's first Currency Board series is offered here. It is nicely embossed, with even margins and clean paper. Only two notes currently grade higher in the PMG census of over 120 notes present. Rare and impressive.

24293 **Korea** Bank of Chosen 5 Yen 1911 (ND 1915) Pick 18as Specimen **PMG Uncirculated 62**.

Starting Bid: $1,000

24301 **Martinique** Banque de la Martinique 25 Francs ND (1922-30) Pick 7b **PMG Fine 12**.
A desirable and rare Caribbean type note, printed in black and brown hues. Interestingly, notice the signature panel at front bottom, and then take notice of the second set of stamped signatures at top right on a slight angle. Perhaps this is some sort of error, adding intrigue to this note. Rust and staple holes are mentioned for accuracy.
Starting Bid: $500

24302 **Martinique** Banque de la Martinique 100 Francs ND (1905-1932) Pick 8 **PMG Choice Fine 15**.
An amazingly rare Caribbean issue, and at the time of writing, this is the only example graded in the *PMG Population Report*. Despite circulation, the eye appeal of this large note is still quite pleasing. Pinholes and associated rust are mentioned for accuracy. The first example we have offered.
Starting Bid: $500

24303 **Martinique** Banque de la Martinique 1000 Francs ND (1942) Pick 21a **PMG Very Fine 25**.
A beautiful American Bank Note Company engraving and a scarce World War II era note. Some stains are mentioned on this example, but the paper is otherwise crisp and the inking is strong for the technical grade. Not generally seen in issued format.

A handsome and rare large format banknote, especially so in this excellent grade. PMG has incorrectly attributed this note as Pick 22c, but it is clearly Pick 22b with the plethora of red cancellations on both sides. Nonetheless pretty and an iconic design that was used across multiple French colonies during the 1940s.

All brown ink notes feature prefix A, and all green printed notes feature prefix B. This is the first of two signature varieties known to date for the green printed variety. Highly specialized and very rare. Printed by Waterlow & Sons, this is a Commonwealth type missing from many collections. To date, PMG has graded a mere three examples in green ink. Not to be missed.

Extremely Rare 1882 Issued Banknote

24307 **Mexico** Banco Nacional Mexicano, Vera Cruz 2 Pesos 6.7.1882 Pick S250b **PMG Very Fine 20**.
At the time of cataloging, this is the first and only issued example of this note graded in the *PMG Population Report*. National Bank notes are especially rare, as only one series was issued in 1882, and by 1884, the bank had merged with another to form the Banco Nacional de Mexico. This incredible survivor features a tiny 3-digit serial number. It has been perforated and overprinted Vera Cruz, which was one of the cities of issue for this type. A problem-free example of an extremely rare issued note. Worthy of serious consideration, as this note was issued for only two years and most were withdrawn or lost over a century ago.
Starting Bid: $3,500

24308 **Mongolia** State Treasury Note 10 Dollars 1924 Pick 5r Remainder **PMG Choice Uncirculated 64**.
Brilliant colors are seen on this example introduced in the 1924 Dollars series that was never released. English is seen on this example as it was geared towards Europeans in an attempt to replace contemporary Chinese Yuan issues, which also featured English. From the serial number font, these notes were most likely printed in Russia, not unexpected as the main ruler of Mongolia at that time, Baron Ungern, was a Russian anti-Bolshevik military leader. An always appealing example.
Starting Bid: $1,000

24309 **Mongolia** Commercial and Industrial Bank 50 Tugrik 1925 Pick 12 **PMG Very Fine 30**.
The second highest denomination of the 1925 series is rare in any grade, as evidenced by the mere nine pieces currently graded in the *PMG Population Report*. Evenly circulated and problem-free, this note is the first we have offered in issued format.
Starting Bid: $600

24310 **Morocco** Banque d'Etat du Maroc 4 Rials = 40 Francs 31.2.1917 Pick 1s Specimen **PMG About Uncirculated 55 EPQ**.
The first two denominations issued by the Banque d'Etat du Maroc are extremely rare in both issued and Specimen formats. At the time of cataloging, this is the first and only example graded in the *PMG Population Report*. This Specimen has solid zero serial numbers and otherwise no distractions to the beautiful designs. This type was only in circulation for three months when Rials notes were replaced by notes denominated in Francs. A key note for Morocco and worthy of consideration.
Starting Bid: $3,500

24311 **Morocco** Banque d'Etat du Maroc 5 Francs ND (1924) Pick 9 **PMG Gem Uncirculated 66 EPQ**.

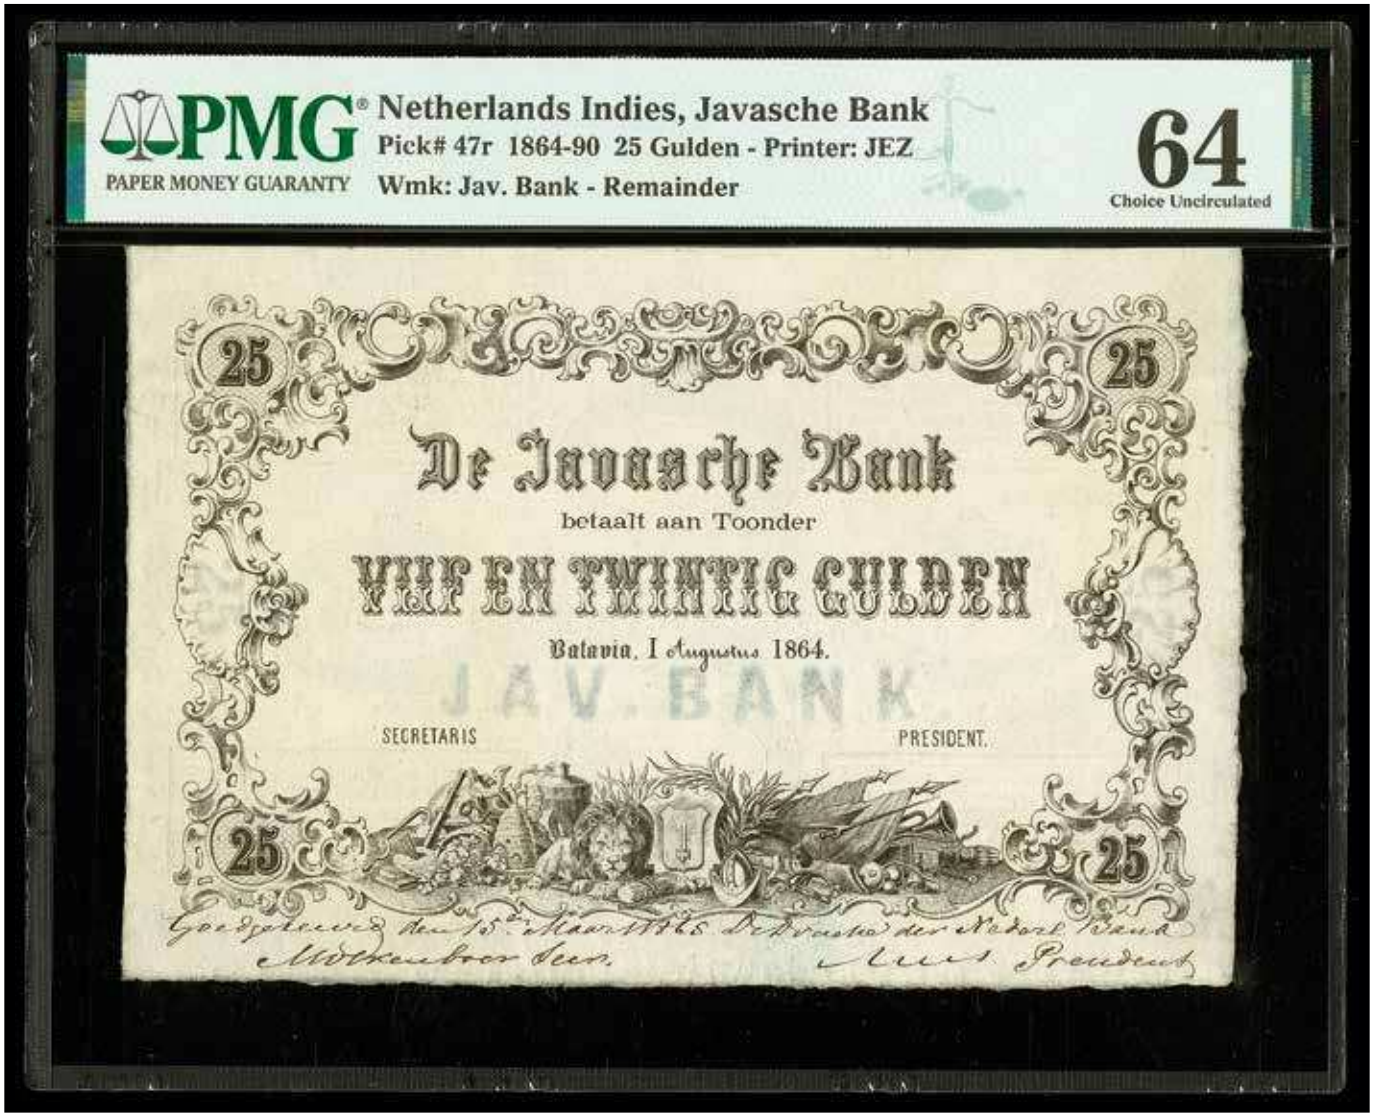
1864 10 Gulden Remainder

24328 **Netherlands Indies** Javasche Bank 10 Gulden 1.2.1864 Pick 46r PLNI17.2.u Remainder **PMG Choice Uncirculated 64**.
The banknote series of the Javasche Bank from the era of 1864 to 1903 is very rarely seen today, with particular emphasis on the earlier emissions within the date range. This outstanding 10 Gulden features the first known date of this design with ornamental edges flanked by seashells with a watermarked denomination. Above the bottom margin is an elaborate engraving featuring a small lion, painting and nautical supplies, as well as armor and other various items which could be found aboard a ship during the colonial era. This note is an unsigned remainder, with no serial numbers but with a neatly written notation at front bottom. It is the first remainder graded in the *PMG Population Report.* At the time of cataloging, this is one of only four 10 Gulden notes of this era graded by PMG across all known formats. Part of an amazing collection offered in today's auction.
Starting Bid: $2,500

Elusive 1864 Remainder



24329 **Netherlands Indies** Javasche Bank 25 Gulden 1.8.1864 Pick 47r Remainder **PMG Choice Uncirculated 64**.
At the time of cataloging, this is the first and only graded 25 Gulden dated 1864 in the *PMG Population Report*. Printer records indicate that 120,000 notes of this date were printed bearing this initial date for the design. Either extremely rare or unknown in issued format and one of many exciting JEZ issues of the 19th-century. Printer notations in the front bottom margin are mentioned for accuracy. Banknotes ordered from Batavia were printed in the Netherlands then shipped to the East Indies. In some instances, the process of ordering banknotes was so time consuming that by the time a shipment arrived, a subsequent order was made to keep commerce fluid in the far flung colony. See similar lot numbers for additional Netherlands Indies notes with the highest degree of rarity.
Starting Bid: $5,000

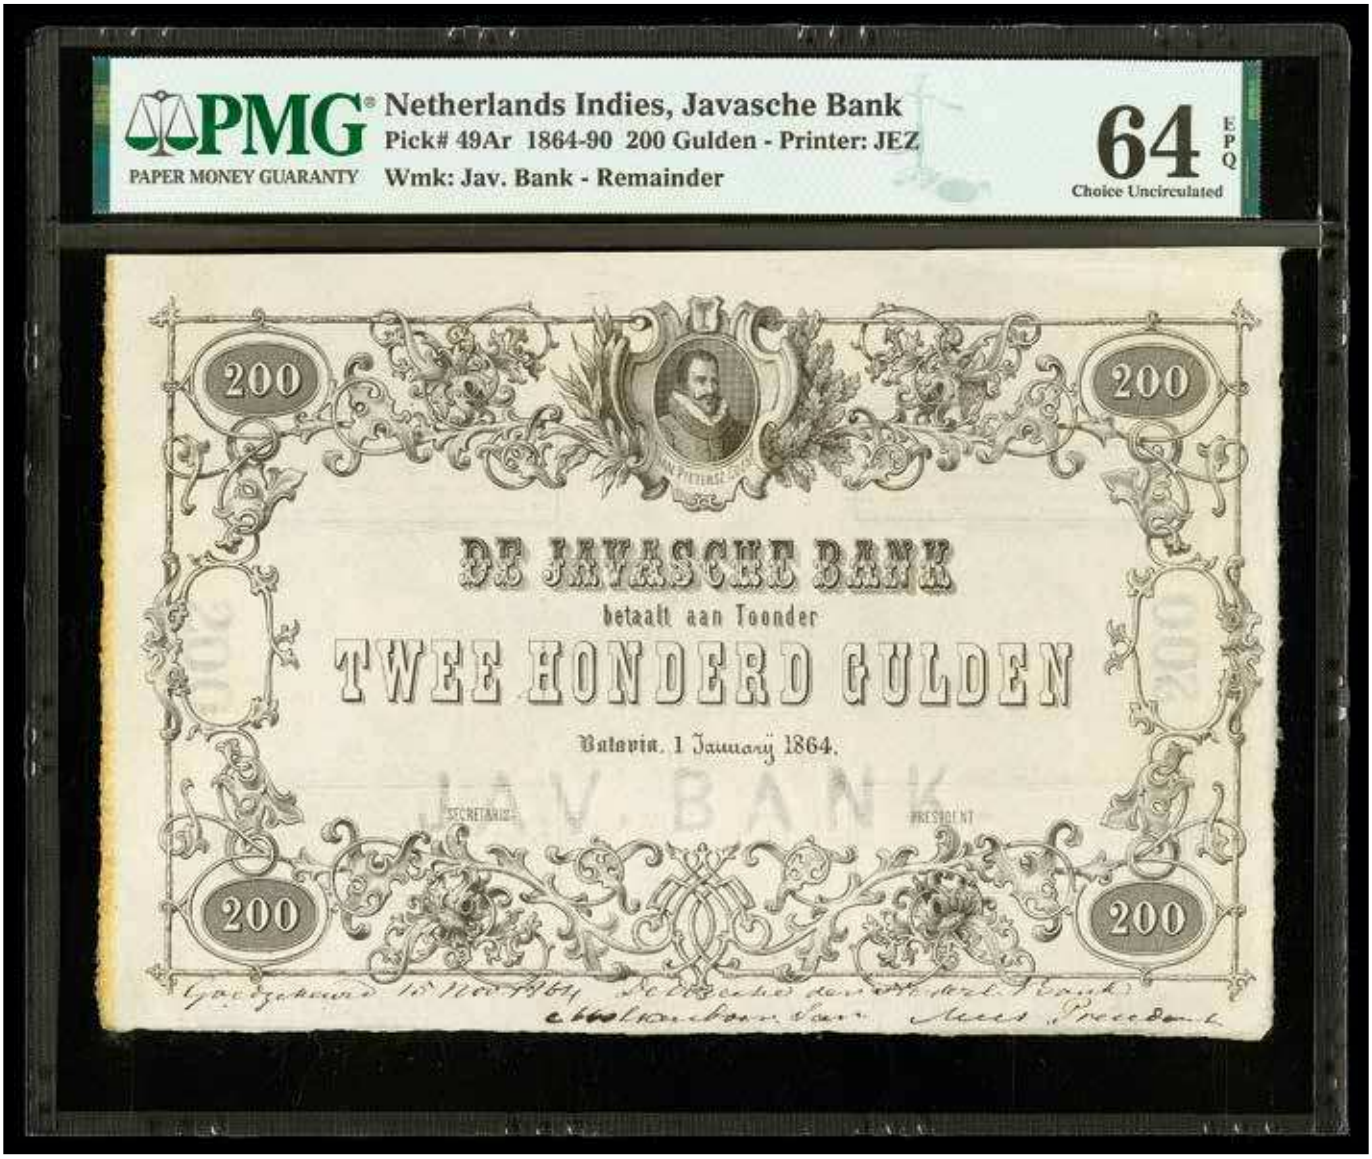
Incredible 50 Gulden Remainder

24330 **Netherlands Indies** Javasche Bank 50 Gulden 1.9.1864 Pick 48r PLNI17.4.u Remainder **PMG Choice Very Fine 35**.
The Netherlands Indies 19th-century paper money issues are challenging to obtain and rewarding to collect. The issues of 1860s through the early 1900s are especially rare. At the time of cataloging, this Remainder is the only example of any 50 Gulden graded in the *PMG Population Report* from this era, across all formats. Notice that this is an unissued Remainder, with no serial numbers or signatures. A wax or graphite pencil was used to cross cancel this example and to write a blue notation at left. A fountain pen printer notation is also seen at the bottom margin. The art paper deckled edges remain as fresh as the day this note was printed. Of the highest degree of rarity, it goes without saying that this note is a type we have not offered in the past.
Starting Bid: $5,000

Rarely Seen Remainder from 1864 Joh. Enschede and Sons

24331 **Netherlands Indies** Javasche Bank 100 Gulden 1.3.1864 Pick 49r Remainder **PMG About Uncirculated 53**.
Any banknote, Specimen, remainder, or Proof from the Netherlands Indies banknote series of 1864 to 1903 is extremely rare and desirable today. This impressive 100 Gulden is a middle denomination in the series, and it is exceedingly rare in any format. At the time of cataloging, PMG has graded only two remainders for this denomination. A printer cancellation is seen, together with a notation at bottom that confirms approval by the Dutch Bank secretary and president. Incredibly rare and important.
Starting Bid: $5,000

High Denomination 200 Gulden of 1864



24332 **Netherlands Indies** Javasche Bank 200 Gulden 1.1.1864 Pick 49Ar PLNI17.6.u. Remainder **PMG Choice Uncirculated 64 EPQ**.

The ornamental border series of banknotes issued in the second half of the 19th-century are among the rarest of all world banknotes. This 200 Gulden is first example graded by PMG, and to date remains the only example of this denomination from the series graded in the *PMG Population Report*. In fact, no Specimen or Proofs are graded either. Incredible originality is seen on this Remainder. A fountain pen notation is seen at bottom front. No signatures or serial numbers were applied to this unused note. The eye appeal is only matched by the rarity of this splendid offering, which is a first for Heritage Auctions. Part of a fantastic group of virtually unseen Dutch colonial banknotes.

Starting Bid: $10,000

Excessively Rare 300 Gulden From Netherlands Indies

24333 **Netherlands Indies** Javasche Bank 300 Gulden 2.5.1864 Pick 49Br Remainder **PMG Choice Uncirculated 63**.

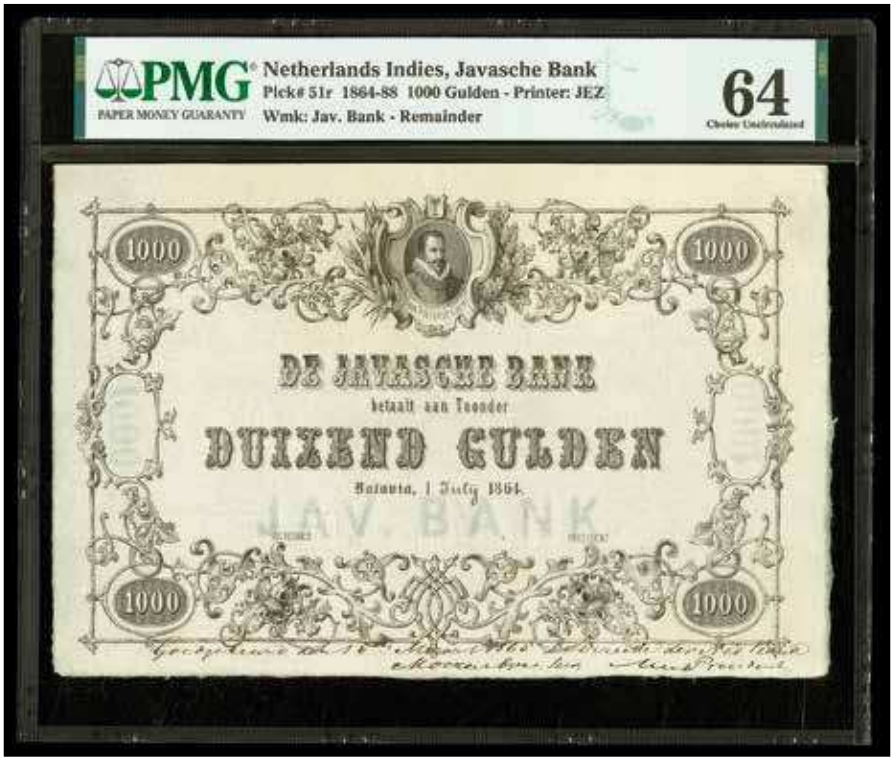
The banknote series printed in the Netherlands for the Netherlands Indies is so rare, it is almost unknown. A plethora of denominations were printed and issued, but a scant few exist to be collected today. This 300 Gulden is third highest denomination of the series. At the time of cataloging, this Remainder is the only example of the type graded in the *PMG Population Report,* across all dates from 1865 to 1890, in all known formats. A printer notation in the bottom margin indicates design approvals by bank officials. The first of its kind we have offered and rare to the most extreme definition of the term.

Starting Bid: $10,000

Incredible 500 Gulden of 1864

24334 **Netherlands Indies** Javasche Bank 500 Gulden 1.6.1864 Pick 50r Remainder **PMG Gem Uncirculated 65 EPQ**.
High denomination banknotes from Southeast Asia's colonial era are notoriously rare in almost all instances. For example, the higher denominations from the Philippines, Straits Settlements, and Hong Kong are extremely desirable and seldom seen today. The same is true for the Netherlands Indies. This unbelievable 500 Gulden is a rarity of the highest degree. A mere 6,000 notes were printed bearing this date, and perhaps no issued examples exist to be collected today. This handsome protype is perhaps a Proof, or perhaps a remainder, as deemed by PMG. At the time of cataloging, PMG has graded just this remainder and one contemporary counterfeit, with no Specimen and no issued examples. Gem quality paper is easily seen through the third party holder, along with pretty handwritten notations in the front bottom margin. Javasche Bank issued from the 1860s to the 1880s are rare in the truest sense of the word.
Starting Bid: $10,000

Incredible Highest Denomination Rarity



24335 **Netherlands Indies** Javasche Bank 1000 Gulden 1.7.1864 Pick 51r Remainder **PMG Choice Uncirculated 64**.
An absolutely elite banknote, fantastically rare or unique outside of institutional collections. 1000 Gulden was the highest denomination and represented an enormous sum of money in Europe or colonial Southeast Asia at the time. Printer records indicate that just shy of 15,000 notes of this denomination were printed bearing the 1864 date. This is an unissued remainder, and therefore lacks serial numbers, date, and signatures. The printer notation at bottom front indicates that this design and denomination were approved by the board of directors of the bank, March 15th, 1864. At the time of cataloging this is the only 1000 Gulden from 1864 to 1888 graded by PMG, across all possible formats. The first we have offered and exceedingly rare, this piece is part of an impressive special collection of Netherlands Indies notes offered in the auction today.
Starting Bid: $10,000

The process of creating a banknote involves the staging and layering of design elements. This incredible group features nine design components for the Javasche Bank's 300 Gulden note of the turn of the 20th century. No issued notes of this type have been graded by PMG, which highlights the rarity of this denomination. An interesting and extremely rare group. (Total: 9 notes)

24340 **Netherlands Indies** Nederlandsche Handel-Maatschappij, Medan, 5 Dollars ND (1890) Pick UNL Remainder **PMG Choice About Unc 58**.
The Netherlands Trading Society was an international trade financier that opened its first office in the Netherlands Indies in 1826. It would later open branches in Singapore, Penang, Hong Kong, Bombay, and Calcutta, just to name a few. This interesting 5 Dollars note is a remainder, prepared for issue via the Trading Society's office in Medan, North Sumatra. Beautiful, very rare, and a historic banknote remainder. One of three denominations we have the pleasure to auction as part of this special collection.
Starting Bid: $1,250

24341 **Netherlands Indies** Nederlandsche Handel-Maatschappij, Medan 10 Dollars ND (1890) Pick UNL Remainder **PMG Choice About Unc 58**.

The Netherlands Trading Society was a famous foreign agency that diversified into banking in the 1870s. It opened offices throughout Asia, including Shanghai, Hong Kong, Penang, and Medan in North Sumatra. This unissued Remainder represents the 10 Dollars denomination of this interesting series. Issued notes are extremely rare to unknown, with Remainders also being exceedingly scarce. This handsome example is the second of three denominations offered in today's auction. It is void of a date, serial numbers, and signatures. An interesting colonial type from North Sumatra in the Netherlands Indies.

Starting Bid: $1,250

24342 **Netherlands Indies** Nederlandsche Handel-Maatschappij, Medan, 25 Dollars ND (1890) Pick UNL Remainder **PMG Choice About Unc 58**.

An impressive and very rare Remainder, printed for the Netherlands Trading Society's office in Medan, North Sumatra. The Netherlands Trading Society has a long and interesting history in Southeast Asia, India, and Saudi Arabia. It is unclear if the Society actually issued banknotes in Medan, which makes the three Remainders offered in today's auction that much more desirable and impressive. Just the slightest bit of handling is mentioned for accuracy. All details are fully printed on this Remainder, except for serial numbers, signatures, and a date. Extremely rare and interesting, This is the highest of three denominations offered within this special collection.

Starting Bid: $1,250

Overprinted on each side and seen with ascending ladder serial numbers as was the norm for Specimen printed by JEZ.
Starting Bid: $750

Most were exchanged for US Dollars, but thankfully a few Balboa notes were saved and can be collected today. This was the smallest denomination of the series but is nevertheless rare in any grade.
Starting Bid: $600

24353 **Panama** Banco Central de Emision 1 Balboa 1941 Pick 22a **PMG Choice Very Fine 35**.
An always popular and famous banknote, which was only issued for seven days before the series was cancelled and the public was instructed to redeem the notes immediately. This mildly circulated example saw some service in circulation before thankfully being saved to be collected today.
Starting Bid: $600

Famously Rare Panama 5 Balboas of 1941

24354 **Panama** Banco Central de Emision 5 Balboas 1941 Pick 23a **PMG Choice Very Fine 35**.
The extremely brief scope of circulation of Panama's ill-fated banknote series of 1941 is well documented. Issuance of this series lasted one week, and unissued notes were destroyed. Some notes possibly remained in circulation a bit longer, as it is unclear how quickly news spread throughout the country concerning the fate of these banknotes. Any extant example is a treasure, and all denominations higher than 1 Balboa are considered very rare. PMG has graded a mere 26 examples of this famously scarce 5 Balboas. Even circulation and minor foreign substance are mentioned for accuracy. Always desired by collectors and worthy of consideration.
Starting Bid: $3,500

Famously Rare Issued 10 Balboas of 1941

24355 **Panama** Banco Central de Emision 10 Balboas 1941 Pick 24a **PMG Very Fine 25**.
Panama's 1941 series of banknotes is notoriously rare in any format, as issuance lasted a mere seven days. Less than half of the printed notes were issued by the bank, with the balance being destroyed after that first week. After issuance ceased, these notes were redeemed and exchanged for United States Dollars. Few were saved for posterity, and that is especially true of the higher denominations. This incredible 10 Balboas is only the third we have offered in issued format. PMG has graded a mere 18 examples to date. A cute three digit serial number is seen on this lucky survivor. Some lightened rust is mentioned for accuracy. Good eye appeal and famed rarity will excite collectors worldwide seeking to acquire this key denomination.
Starting Bid: $5,000

Famously Rare 20 Balboas of 1941

24356 **Panama** Banco Central de Emision 20 Balboas 1941 Pick 25a **PMG Very Fine 25**.

The Republic of Panama is famous in the numismatic world for its silver coinage minted in the USA and its lone banknote series dated 1941. From its independence from Colombia in 1904 until 1941, Panama used US currency and perhaps the currencies of the neighboring countries. President Arnulfo Arias was a proponent for both government and private bank issues in Panama. Finally in 1941, the Central Bank of Issue of Panama issued a set of banknotes. Printed by the Hamilton Bank Note Company, four denominations were issued. However, a mere seven days later, President Arias was deposed in coup, and the new government immediately closed the banknote production, destroyed unissued banknote stocks, and withdrew as many of the issued notes as possible. Thankfully, some of the ill-fated "Arias Seven Day Notes" were saved to be collected today.

Most commonly, it is the 1 Balboa denomination that was saved and appears in the marketplace today. However, the three higher denominations are amazingly rare, as fewer were issued and most were redeemed for US Dollars by the government of President de la Guardia. This offered 20 Balboas was the highest denomination of the series and is a very rarely seen banknote. Notice the fantastic, low serial number of this banknote: 000076. Circulated, with some folding, but overall with good appearance. A mere 14 issued examples of this denomination are currently graded in the *PMG Population Report*. One of the world's most famous banknotes, and a type that is desired by collectors worldwide. Historical, short-lived, and very rare.

Starting Bid: $10,000

Portuguese banknotes of this era are quite popular today, especially in comment-free condition.
Starting Bid: $500

24361 **Portugal** Banco de Portugal 100 Escudos 13.4.1926 Pick 124s Specimen **PMG Choice Extremely Fine 45**.
This interwar period high denomination note is scarce in any format, as it was redeemable for gold coinage. 24363 **Qatar** Qatar Monetary Agency 50 Riyals ND (1976) Pick 4a **PMG Extremely Fine 40**.

Embossed surfaces and colorful inks create a pleasing presentation on this overprinted example.

24371 **Rhodesia** Standard Bank of South Africa Ltd., Salisbury 10 Pounds 1896 Pick S134r Remainder **PMG Very Fine 25**.

Among the earliest financial instruments known for use in the newly formed colony of Rhodesia. During the earliest stages of Rhodesia, Johannesburg was also in formation, and as such, the closest major city to Salisbury was actually Durban. Notice that this was originally a Durban banknote that was overprinted for Rhodesia. Cancelled and left as a remainder, this was probably a makeshift Specimen. It is unknown if this type was actually issued. Mounting remnants are mentioned for accuracy. The only example currently graded in the *PMG Population Report*.

Starting Bid: $1,250

A highly scarce and very interesting working specimen from the young USSR. This note clearly was passed around quite a bit at the State Bank and fulfilled its service obligations as can be seen by the mounting remnants and small tear on the top margin. Aside from these, the note still has excellent color and surface quality. There is extensive embossing throughout the body which can be easily seen through the 3rd party holder. The Krause catalog lists no values in any condition for Specimen of this Pick variety.

24399 **South Africa** London and Natal Bank 1 Pound ND (1860's) Pick S452r Remainder **PMG Extremely Fine 40**.

Starting Bid: $500

24400 **South Africa** Upington Border Scouts 10 Shillings 1902 Pick S713b **PMG Choice Very Fine 35**.
An interesting cloth issue from the final year of the Anglo Boer War. This example was fully issued, with a serial number R142 front top left. Starting Bid: $750

24403 **South Africa** Green Point POW Camp 10 Shillings ND (1899-1902) Pick UNL POW4854 **PMG Very Fine 25**.
The Green Point Track was a POW Camp in Cape Town during the Second Boer War. This hand-signed and dated example is in fact fully issued and is rare as such. Lt. Col. J.H. Money signed and dated this note 28.10.1900. A small tear is mentioned for accuracy. A historic issued note and rare in this format.
Starting Bid: $750

24404 **South Africa** Namaqua Mining Company, Cape Town 5 Pounds ND (ca.1850) Pick UNL Remainder **PMG Choice Fine 15**.
An interesting and rare note issued by the Namaqua Mining Company in the Northern Cape Province. This is a Remainder, as it remains unsigned and is missing other handwritten notations. Rare in any grade and one of a few seldom-seen South African banknotes from the 19th-century offered in today's auction.
Starting Bid: $500

24405 **South Africa** Mosenthal Brothers 5 Pounds 2.1.1857 Pick UNL **PMG Fine 12 Net**.
An interesting note printed by Rowe Kentish & Co., London for the private trading firm of Mosenthal Brothers in Cape Town. Issued notes can bear dates between 1854 and 1860. As was typical, this note was split in two to ensure safe delivery, reattached, then issued. Five Pounds was a significant sum of money in the mid-1800s, and it seemed to be common practice for banknotes printed abroad to have been split in two and shipped at different times, only to be matched together and adhered locally. Repairs and mounting remnants are also mentioned for accuracy. A very rare type note with limited issuance. Serial number 0158.
Starting Bid: $500

24406 **South Korea** Bank of Korea 1000 Won ND (1953) Pick 15a **PMG Gem Uncirculated 65 EPQ**.
Highest denomination of the first Won of series of 1953. The pretty terracotta color schemes are as fresh as the day this note was printed, as the condition and visual appeal are significantly better than typically seen. Despite a large population in the PMG census, this denomination is generally rare in the marketplace, especially in high grade.
Starting Bid: $750

24407 **South Korea** Bank of Korea 100 Hwan 1953 Pick 18 **PMG About Uncirculated 55**.
An unassuming yet rarely seen date, 4286 / 1953, is present on this middle denomination. The subsequent dates for the design are cataloged in Pick 19, which highlights the rarity of this first issuance. Just a tick of circulation is present. The key Syngman Rhee note of the series and a rarity in any grade.
From The Louis Winterfield Collection
Starting Bid: $600

24408 **South Korea** Bank of Korea 100 Hwan 1962 Pick 26 **PMG About Uncirculated 55**.
A pretty note and a good type, and the first of only two denominations in the final "Hwan" series. This note was issued and circulated for approximately one year before being replaced by banknotes denominated in Won, which is the currency system used today. Not often seen today in the collecting sphere.
From The Louis Winterfield Collection
Starting Bid: $600

24409 **South Korea** Bank of Korea 100 Hwan 1962 Pick 26 **PMG About Uncirculated 55**.
This handsome, small denomination note is one of the final two notes issued in Hwan. Within one year of issuance, Hwan notes were replaced by Won banknotes. Being that these were so short-lived, any surviving example is scarce and desirable. Only brief circulation is present on this pretty example.
From The Louis Winterfield Collection
Starting Bid: $500

24410 **South Korea** Bank of Korea 500 Hwan 1961 Pick 27 **PMG Choice Uncirculated 64 EPQ**.
The King Sejong 500 Hwan of 1961 is a surprisingly rare type note as it was issued for approximately one year before being replaced by currency reformed notes denominated in "Won" in 1962. This example is pack fresh and is generally unseen in the marketplace, especially at this grade level.
Starting Bid: $750

24411 **South Korea** Bank of Korea 500 Hwan 1961 Pick 27 **PMG Choice Uncirculated 63 EPQ**.
In 1962, South Korea retired the Hwan currency system and replaced it with the Won, which is still used today. This Uncirculated 500 Hwan of 1961 is the final note of the previous series and is generally unseen today in Uncirculated grade. EPQ status confirms originality. Issuance and circulation lasted approximately one year for this short-lived type note.
From The Louis Winterfield Collection
Starting Bid: $600

24412 **South Korea** Bank of Korea 50 Won ND (1962) Pick 34a **PMG Gem Uncirculated 66 EPQ**.
A beautiful and high grade example of a type generally seen well circulated. Pack fresh and desirable in Gem Uncirculated grade.
From The Louis Winterfield Collection
Starting Bid: $400

24413 **Southwest Africa** Volkskas Limited 5 Pounds 1.9.1959 Pick 15b **PMG Choice Very Fine 35**.
Desirable highest denomination of the Southwest Africa series. At the time of cataloging, a mere 2 notes of this type grade higher in the *PMG Population Report*. Approximately 80,000 notes were printed across all dates of this famed rarity. A pair of staple holes prevent EPQ status on this otherwise handsome original. Rare in any grade but especially desirable in this excellent state.
Starting Bid: $750

Important 500 Reales from the 1862 Series

24414 **Spain** Banco de Espana 500 Reales de Vellon 1.5.1862 Pick UNL Remainder **PMG Choice Uncirculated 63 Net.**
Excellent paper and originality is seen on this gigantic remainder from the 1862 series. Any extant banknote, Specimen, Proof, or remainder from the 1862 and 1866 series is extremely rare, as both series were redeemed in 1873 at the founding of the First Republic. The back design is purposely inverted. A lack of serial numbers and signatures confirm remainder status. Mount remnants are mentioned for accuracy.
Starting Bid: $1,000

100 Escudos Remainder from 1866

24415 **Spain** Banco de Espana 100 Escudos 1.1.1866 Pick UNL Remainder **PMG Choice Uncirculated 64 Net.**
This handsome and very rare 100 Escudos is a higher denomination in this short series. Curiously, the Bank of Spain issued a plethora of banknote series from 1856 to 1873, with all being withdrawn by the inception of the First Republic. As such, any surviving note from this era is extremely scarce. Some foreign substance and an internal tear are mentioned, along with a toned bottom margin. As a remainder, there are no serial numbers or signatures on this example.
Starting Bid: $1,000

24416 **Spain** Banco de Espana 50 Pesetas 1.1.1884 Pick 25 **PMG Choice Very Fine 35**.
A challenging denomination to find in any grade, this 19th century type is missing from many collections. Print totals were not particularly high, and due to rapid issuance of a plethora of series over a 30 year period, each previous set of notes were redeemed when the new types were issued. Minor but customary vintage repairs were executed on this handsome, scarce note.
Starting Bid: $500

24417 **Spain** Banco de Espana 100 Pesetas 1.7.1884 Pick 31 **PMG Extremely Fine 40 Net**.
Good colors and precise details are present on both sides. Typical repairs, executed decades ago, are mentioned for accuracy. This type is seldom seen in any grade, as most banknotes of the 1884 series were redeemed over a century ago.
Starting Bid: $600

24418 **Spain** Banco de Espana 100 Pesetas 1.6.1889 Pick 41 **PMG Extremely Fine 40**.
Few notes of the 1889 series were saved to be enjoyed today. Only mild circulation is present on this otherwise handsome example. Typical mid-century mild repairs are present. As the highest denomination, it had the smallest print total of the series. It can be reasoned that most were redeemed when the note was withdrawn in 1911.
Starting Bid: $500

24419 **Spain** Banco de Espana 1000 Pesetas 1.5.1895 Pick 45 **PMG About Uncirculated 55**.
A desirable 1000 Pesetas from 1895 that was the highest denomination of the series. Only brief circulation is seen on this 19th century Spanish type that is long obsolete and rarely seen today. Minor repairs were executed but nevertheless, this piece is quite nice and a desirable type.
Starting Bid: $1,500

24420 **Spain** Banco de Espana 25 Pesetas 17.5.1899 Pick 49 **PMG Choice Uncirculated 63 Net**.
Deep colors and uncirculated paper add desirability to this rare, 19th century type. Decades old repairs are mentioned for accuracy on this fantastic banknote. At the time of cataloging, this note is the third finest of only 26 notes graded in the *PMG Population Report*.
Starting Bid: $600

24421 **Spain** Banco de Espana 50 Pesetas 19.3.1905 Pick 56 **PMG About Uncirculated 55**.
All banknotes from the 1905 series are rare and desirable, as their stint in circulation was brief and most notes were withdrawn by 1911. Only a bit of circulation and typical repairs are mentioned for accuracy.
Starting Bid: $600

24422 **Spain** Banco de Espana 1000 Pesetas 10.5.1907 Pick 61a **PMG Very Fine 30 Net**.
Without question, this design is the pinnacle of work by the Bank of Spain, and one of the most beautiful designs issued anywhere in the world. The face is printed in a stunning black and blue-green hue, featuring *Mercury* holding a globe at left. The Art Nouveau style was less than two decades old, but taking over Europe. This note is all the more important in Spanish history due to its rarity. Just 500,000 notes were printed, a tiny sum compared to other 1000 Pesetas issues. Rare in any grade. A repair is noted by the third party grading company.
Starting Bid: $600

24423 **Spain** Banco de Espana 1000 Pesetas 25.4.1931 Pick 84Aa **PMG Gem Uncirculated 66 EPQ**.
This handsome banknote was printed to be the highest denomination of the series. Unfortunately, this denomination was never issued, with only a small cache saved from destruction. Thankfully, this example has been saved in an elite technical grade and is desirable to collectors worldwide. A beautiful engraving by Bradbury, Wilkinson & Company.
Starting Bid: $500

24424 **Spain** Banco de Espana 500 Pesetas 7.1.1935 Pick 89 **PMG Gem Uncirculated 66 EPQ**.
A famous and desirable short-lived issue, prepared the year before the Spanish Civil War. Pack fresh and simply beautiful in this elite grade. Hernan Cortez is the theme of this rare, high denomination note which is even more desirable due to its engravings and eye appeal.
Starting Bid: $500

24425 **Straits Settlements** Government of the Straits Settlements 10 Cents 14.10.1919 Pick 8b KNB16a **PMG About Uncirculated 53 EPQ**.
A lightly circulated and original example of a small change note normally seen well circulated. World War I signaled the send of high silver content coins in most locales, and as the price of silver rose, coins were hoarded. Small change notes such as this were issued to assist in commerce, and most were circulated until becoming unworthy for future service. This example was thankfully saved after only a brief stint in circulation.

Starting Bid: $500

24426 **Straits Settlements** Government of the Straits Settlements 5 Dollars 1.1.1925 Pick 10a KNB18a-c **PMG Very Fine 30**.
A famously rare and widely collected type note. Interestingly, this denomination is scarcer than the $1 and $10 of the series, and it is especially desirable in problem-free, original quality. A three digit serial number adds to the desirability of this famed scarcity. The eye appeal is also far better than the norm. A beautiful Thomas de la Rue designed note.

Incredible Surinamese 25 Gulden Remainder of 1865

24428 **Suriname** Surinaamsche Bank 25 Gulden 1.7.1865 Pick 46r Remainder **PMG Choice Uncirculated 64**.

Surinamese banknotes from the 1960s and earlier pose a challenge to collectors, as their rarity cannot match the demand for notes of this South American country. Banknotes and their associated Specimen from the 19th-century are prohibitively rare, with virtually none extant to be collected today. This incomplete Remainder is dated 1865 and is of the highest degree of rarity. Printer records indicate that a mere 20,000 units were printed, and it is possible that none exist today. At the time of cataloging, this Remainder is one of only two pieces graded in the *PMG Population Report*. An important opportunity to acquire a seriously rare design and denomination from Suriname in an elite and excellent grade.

Starting Bid: $5,000

Exciting Surinamese 50 Gulden Remainder Dated 1865

24429 **Suriname** Surinaamsche Bank 50 Gulden 1.7.1865 Pick 47r Remainder **PMG Choice Uncirculated 64**.

A stunning remnant from Dutch printer JEZ. This Uncirculated remainder is fully printed, save for serial numbers and signatures. Printer records indicate that a mere 5,000 notes bearing this first date of the series were created, and extant examples are either unknown, extremely rare, or unique. This remainder is extremely rare as well, with only two pieces presently graded in the *PMG Population Report*. The first we have offered and part of an exciting collection of fantastically rare Surinamese remainders and Specimen offered in this auction.

Starting Bid: $5,000

Early 20th Century Surinamese Specimen

24430 **Suriname** Surinaamsche Bank 10 Gulden 15.2.1904 Pick 53s PLS7.2a4s Specimen **PMG Choice Uncirculated 63**.
Surinamese Banknotes and Specimen are among the rarest of all banknotes to collect. While Zanzibar gets all the credit for its exotic locale and rare banknotes, Suriname proves an equal or greater challenge. This large format 10 Gulden Specimen, dated 1904, was virtually unknown until now. In fact, this is the first issued note or Specimen of this denominated graded by PMG between the date range of 1886 and 1906. JEZ printer records indicate that only 15,000 issued examples were printed bearing this date, which are either unknown in issued form or of the highest degree of rarity, which makes this associated Specimen that much more appealing. Minor mounting remnants and a perforated cancellation are mentioned for accuracy. Possibly unique and extremely rare.
Starting Bid: $4,000

Extremely Rare 1904 Specimen

24431 **Suriname** Surinaamsche Bank 50 Gulden 15.2.1904 Pick 55s Specimen **PMG Choice Uncirculated 63**.
Surinamese banknotes and their associated Specimen from the early 20th century are of the highest degree of rarity, with the scantest few pieces extant today. This incredible 50 Gulden Specimen is the first and only example graded in the *PMG Population Report*. No issued examples have been graded in the census as of writing. Printer records indicate that 5,000 notes were issued bearing this date. One discreet perforated cancellation and mounting remnants are mentioned for accuracy. Part of an amazing collection of early Suriname Specimen and remainders offered in today's auction.
Starting Bid: $5,000

Delightful 100 Gulden Specimen of 1904

24432 **Suriname** Surinaamsche Bank 100 Gulden 15.2.1904 Pick 56s Specimen **PMG Choice Uncirculated 64**.

Dutch printer JEZ created an extensive banknote series of notes for the Surinamese Bank beginning in 1865 and continuing until 1911. Despite a plethora of denominations, print totals per denomination and per date were small. As a result, few, if any, survive to be collected today. Specimen and remainders are incredibly rare as well, with this 1904 100 Gulden being the first of its kind graded in the *PMG Population Report*. Issued notes bearing this date had a print total of only 4,000 pieces, with extant survivors unknown. This Specimen is the best opportunity to date to acquire this elusive type. A perforated cancellation is mentioned for accuracy.

Starting Bid: $5,000

Final Date of Issue for Surinamese 200 Gulden Specimen

24433 **Suriname** Surinaamsche Bank 200 Gulden 1.9.1909 Pick 57s Specimen **PMG Choice Uncirculated 63**.
The Surinamese banknote series from 1865 to 1911 consisted of denominations 5, 10, 25, 50, 100, 200, 300, and 1000 Gulden, all of which are unique or extremely rare across all known formats. Printer records indicate the smallest print totals for the 200, 300, and 1000 Gulden, as these were large sums of money in Suriname at the time of issuance. This Specimen represents the final date for notes of this design. Printer records indicate that 3,350 pieces were printed for issuance. At the time of writing, this is the first and only Specimen graded in the *PMG Population Report*. Previously mounted as typical, but nonetheless visually pleasing and of the highest degree of rarity.
Starting Bid: $10,000

Fantastic 300 Gulden Specimen

24434 **Suriname** Surinaamsche Bank 300 Gulden 15.2.1904 Pick 58s Specimen **PMG Choice Uncirculated 63**.
Second highest denomination of Suriname's incredibly rare banknote series issued from 1865 to 1911. Printer records indicate that only 1,000 pieces were issued of this date, and it is possible that no issued examples exist to be collected today. At the time of cataloging, PMG has graded one Remainder and one Specimen. Mounting remnants and a perforated cancellation are mentioned for accuracy. Part of an extremely impressive Surinamese collection offered in this auction.
Starting Bid: $5,000

Highest Denomination Proof with Newly Discovered Date

24435 **Suriname** Surinaamsche Bank 1000 Gulden 31.6.1898 Pick 59p Proof **PMG Choice Uncirculated 64**.
It cannot be understated: this is perhaps one of the rarest of all world banknotes. Surinamese banknotes of the 19th-century are virtually unknown in all formats, with perhaps a few Specimen surviving to be coveted by collectors today. At the time of writing, this is the first and only 19th-century 1000 Gulden of Suriname graded in the *PMG Population Report*, across all known and available formats. JEZ Printer records indicate that 1000 Gulden banknotes were printed bearing the dates 1865, 1880, 1883, 1886, 1890, 1894, 1904, and 1920, with a shockingly small emission per date, excluding 1920, which saw 20,000 notes issued. For example, a mere 200 notes bearing the 1865 date were issued, and only 140 pieces were issued for notes printed 1894. This 1898 dated note was previously unknown to the numismatic community. Further, a search of printer records found no mention of this note. Especially curious is that this note is specifically dated 31st June, 1898, which is impossible, as there are only 30 days in June. Perhaps this Proof was prepared in case a new batch of notes was needed in Paramaribo, or because a new signature panel was needed to reflect a personnel change at the bank. However, it is unclear if the process progressed further.

This Proof is fully printed, save for signatures and serial numbers. All other details remain fresh and clear. The perforated cancellation at top is mentioned for accuracy. This simply amazing offering is worthy of serious consideration. The first we have had the privilege to offer.
Starting Bid: $10,000

Extremely Rare 1909 Specimen

24436 **Suriname** Surinaamsche Bank 25 Gulden 1.9.1909 Pick 62s Specimen **PMG Choice Uncirculated 63**.
Surinamese banknotes of the late 1800s and early 1900s are similar to those of the Netherlands, but with minuscule print totals and are almost impossible to obtain in any format. At the time of cataloging, PMG has graded just two Specimen of this denomination across the known date range. JEZ Printer records indicate that a mere 5,750 pieces of this denomination were issued bearing the 1909 date, hence issued examples are either nonexistent today or of the highest degree of rarity. This Specimen was previously mounted and perforated cancelled.
Starting Bid: $5,000

A Fully Issued Suriname Relic

24437 **Suriname** Surinaamsche Bank 10 Gulden 23.1.1935 Pick 78 **PMG Choice Fine 15**.

Surinamese banknotes of this era in issued format are exceedingly rare. Print totals were small, and for whatever reason, only a scant few exist to be collected today. This date is actually not recorded in the Dutch catalog, and printer records indicate that approximately 20,000 notes were printed between the years of 1929 and 1938, representing notes with serial numbers 120,001 to 140,000. With so few notes issued, perhaps it is not much a mystery why this type would be so scarce. At the time of cataloging, across all dates from 1925 to 1940, PMG has graded only two examples of this denomination in issued form. Not to be overlooked and worthy of serious consideration.

Starting Bid: $3,500

Finest Graded 1000 Gulden Remainder

24438 **Suriname** Surinaamsche Bank 1000 Gulden ND (1925-1948) Pick 84r Remainder **PMG Gem Uncirculated 65 EPQ**.
Suriname's handsome and colorful banknote series of 1920 to 1948 is virtually unseen in any format today. Despite being a 20th-century banknote series, few if any were saved for posterity and most were redeemed or lost over the years. This incredible 1000 Gulden was the highest denomination of the above mentioned series. Only 5,000 pieces were issued bearing a 1925 date, with other dates being possible. This remainder is as fresh as the day it was printed and retains complete originality. At the time of cataloging, this is the finer of only two pieces presently graded in the *PMG Population Report*. Stunning in design, exotic in locale, and a note that should excite even the most experienced collectors.
Starting Bid: $5,000

24439 **Suriname** Surinaamsche Bank 10 Gulden 1.8.1951 Pick 92s Specimen **PMG Gem Uncirculated 65 EPQ**.
A fantastic and very rare middle denomination in the famously scarce 1951 Suriname series printed by de Bussy. Star-punch cancelled and overprinted in red to indicate Specimen status. A beautiful type from a popular country among collectors which is known for a variety of extremely rare type notes.
Starting Bid: $750

24440 **Suriname** Surinaamsche Bank 25 Gulden 1.8.1951 Pick 93s Specimen **PMG Gem Uncirculated 66 EPQ**.
Highest denomination of the incredibly rare 1951 series printed by de Bussy in Amsterdam. At the time of cataloging, PMG has graded only two remainders, three Specimen, and zero fully issued notes. Pretty engravings on both sides will surely entice bidding on this seldom seen and curious type. Star punch cancelled and Specimen overprinted. Especially desirable in Gem Uncirculated grade.
Starting Bid: $1,000

24441 **Suriname** Surinaamsche Bank 100 Gulden 1.8.1951 Pick 94s Specimen **PMG Choice Uncirculated 64 EPQ**.
Surinamese banknotes from the 1920s through the 1950s are incredibly rare in issued format, but thankfully, Specimen exist to fill the void so collectors can acquire the type. This highest denomination note of the 1951 series was printed by de Bussy and features star punched cancellations and a red overprint. A design that is seldom seen and worthy of consideration.
Starting Bid: $1,000

24442 **Switzerland** Bank in St. Gallen 500 Franken ND (ca.1852) Pick S440r Remainder **PMG Gem Uncirculated 65 EPQ**.
An interesting regional issuance prepared for St. Gallen. It is unclear if this type was ever issued officially. This Remainder was a high denomination in the series and is remarkable in its assigned grade by PMG. Notice that this note was printed by Toppan, Carpenter, Casilear & Co., New York & Philadelphia, which was an interesting choice for a European issuer.
Starting Bid: $500

24443 **Syria** Banque de Syrie 5 Piastres 1.8.1919 Pick 1a **PMG Choice Uncirculated 63**.

A remarkable small denomination in the rarely seen 1919 series. The columns in Baalbek, Lebanon are beautifully engraved at front. A type note rarely seen in Uncirculated grade. Notice that this is the first variety for the design, with signature title "Secretaire Général" at left.

Starting Bid: $750

24444 **Syria** Banque de Syrie 500 Piastres 1.8.1919 Pick 5s Specimen **PMG About Uncirculated 50**.

Highest denomination of the 1919 series denominated in Piastres. After World War I, France and Britain divided former Ottoman Empire territories and began issuing currency for the newly formed European colonies. At the time, 500 Syrian Piastres was equal to 5 Pounds in Egypt and Palestine / Transjordan. We have not offered this denomination in Specimen format in the past. Very rare in any form and worthy of consideration. Perforated cancellation, previously mounted and minor paper pulls are observed.

Starting Bid: $600

24445 **Syria** Banque de Syrie 25 Livres 1.1.1920 Pick 18s Specimen **PMG About Uncirculated 53 Net**.

A virtually unseen denomination in the Syrian Pound series of 1920. At the time of cataloging, PMG has not graded any issued examples of this denomination, leaving Specimen and Proofs as the best methods to acquire the type. Hole punch cancelled, overprinted in red, and formerly paper clipped to another document, which created the minor rust seen today. Downright rare and a type missing from many collections.

Starting Bid: $500

24446 **Syria** Banque de Syrie et du Grand-Liban 100 Livres 1935 Pick 38as Specimen **PMG Uncirculated 61**.

A high grade Specimen representing the scarce 100 livres from the 1935 issue. This is the sole finest graded note of only 7 examples registered in the *PMG Population Report*, revealing the scarcity of this type. This lovely large format note retains great color and presents well. It bears the usual printer's annotations in the upper margin and has been previously mounted. Perforated cancelled and a large tear are noted for accuracy. Highly collectable, especially in this state of preservation.

Starting Bid: $1,000

24447 **Syria** Banque de Syrie et du Grand-Liban 100 Livres 1939 (ND 1930) Pick 39Ds Specimen **PMG Choice Uncirculated 64**.
This highest denomination type is overprinted on a 1930 banknote, with some design additives to differentiate the two dates. Notice the added arches on both sides, as well as the new date, and an omitted redemption clause at back. Scarce in any grade and desirable due to its large size, high face value, and famed rarity. Perforated cancelled.
Starting Bid: $1,500

24448 **Syria** Banque de Syrie et du Liban 50 Livres 1.9.1939 Pick 44s Specimen **PMG About Uncirculated 53.**
Only the 5 Livres denomination is listed with price in Uncirculated in the *Standard Catalog of World Paper Money*. This is misleading, as none of the denominations are found in EF or higher grades with any regularity. This Specimen is a fresh look at the colors and design as intended by the engravers of Bradbury, Wilkinson, and Co. Though this piece likely missed the EPQ designation due to two staple holes, PMG was not short on praise for this note, adding, "Great Embossing & Color" to the back of the holder. Red Specimen overprints and seven POCs are present.
Starting Bid: $400

24449 **Syria** Banque de Syrie et du Liban 5 Livres 1948 Pick 62s Specimen **PMG Gem Uncirculated 65 EPQ.**
Bold bright inks were utilized to create this post-WWII Specimen. This note is graded near the top of the *PMG Population Report* of 16 examples. This Pick variety is the same as Pick 36 from the 1920s, but instead of French on the back, one finds Arabic. Intricate designs enhance the face, and Azm Palace in Damascus is depicted on the back. Two star-shaped POCs are present on this example.
Starting Bid: $500

24450 **Thailand** Grand Treasury 1/8 Tical (1851-68) Pick A7 **PMG Choice Fine 15 Net**.
Siamese Treasury notes of the mid-19th century are rarely seen today, as most were heavily circulated and redeemed for coinage. There are four "Low Value" issues, denominated in 1/8, 1/4, 3/8, and 1/2 Tical, all of which are scarce. This example has most design elements visible, despite missing pieces and rust. Nonetheless rare and desirable.
Starting Bid: $750

24451 **Thailand** Government of Siam 5 Baht 15.2.1928 Pick 17a **PMG Choice Uncirculated 64**.

An elite Siamese note, tied for the finest grade in the *PMG Population Report* at the time of cataloging. Staple holes, which do little to distract from the eye appeal of this desirable type, are mentioned for accuracy. This example was printed with the first variety of small font text at front center. Certainly better than average and rare in anything close to this grade.

From The Louis Winterfield Collection

Starting Bid: $500

24452 **Thailand** Government of Thailand 50 Baht on 1 Dollar ND (1945) Pick 62Ba **PMG Very Fine 25**.

A desirable and rarely seen post-World War II note, overprinted on an unused "Dollar" note. Perhaps this type was originally created for use in a Malay State or Southern Thailand, as Malaya used Dollars at the time. Notice the black overprints on each side with a small red overprint at front center. Circulated and problem-free. A rare Thai note in any grade.

Starting Bid: $750

24453 **Timor** Banco Nacional Ultramarino 5 Patacas 1924 (ND 1945) Pick 10 **PMG Very Fine 30**.

Although this note began its life in Macau, it was overprinted decades later and sent to Timor. Bank records indicate that 122,000 notes were overprinted in this manner. A pretty, large format type.

Starting Bid: $500

24454 **Trinidad & Tobago** Government of Trinidad and Tobago 1 Dollar 1.4.1905 Pick 1b **PMG Very Fine 30**.

The desirable 1905 date is seen on this rare colonial type note. It features a blue vignette and crest at front. Some staining has been lightened, as mentioned by PMG. Scarce and desirable, and much better than typically seen.

This note is seen with the first of the two dates, and has a print total of approximately 500,000 to 800,000 pieces. Much rarer than the subsequent note, which features the same designs but with smaller dimensions. The first we have offered and a note that should see spirited bidding.

In the event of any dispute between any Bidders at an Auction, Auctioneer may at his sole discretion reoffer the lot. Auctioneer's decision and declaration of the winning Bidder shall be final and binding upon all Bidders. Bids properly offered, whether by floor Bidder or other means of bidding, may on occasion be missed or go unrecognized; in such cases, the Auctioneer may declare the recognized bid accepted as the winning bid, regardless of whether a competing bid may have been higher. Auctioneer reserves the right after the hammer fall to accept bids and reopen bidding for bids placed through the Internet or otherwise. Regardless of placed bids, Auctioneer reserves the right to withdraw any lot, or any part of a lot, from Auction at any time prior to the opening of any such lot by the auctioneer (crier), or in the case of Internet-only auctions when the bid opens for either live Internet bidding or the beginning of any extended period.
15. Auctioneer reserves the right to refuse to honor any bid or to limit the amount of any bid, in its sole discretion. A bid is considered not made in "Good Faith" when made by an insolvent or irresponsible person, a person under the age of eighteen, or is not supported by satisfactory credit, references, or otherwise. Regardless of the disclosure of his identity, any bid by a consignor or his agent on a lot consigned by him is deemed to be made in "Good Faith." Any person apparently appearing on the OFAC list is not eligible to bid.
16. Nominal Bids. The Auctioneer in its sole discretion may reject nominal bids, small opening bids, or very nominal advances.
17. Lots bearing bidding estimates shall open at Auctioneer's discretion (generally 40%-60% of the low estimate). In the event that no bid meets or exceeds that opening amount, the lot shall pass as unsold or the Auctioneer may place a protective bid on behalf of the consignor.
18. All items are to be purchased per lot as numerically indicated and no lots will be broken.
19. Auctioneer reserves the right to rescind the sale in the event of nonpayment, breach of a warranty, disputed ownership, auctioneer's clerical error or omission in exercising bids and reserves, or for any other reason and in Auctioneer's sole discretion.
20. Auctioneer occasionally experiences Internet and/or Server service outages, and Auctioneer periodically schedules system downtime for maintenance and other purposes, during which Bidders cannot participate or place bids. If such outages occur, bidding may be extended at Auctioneer's discretion. Bidders unable to place their bids through the Internet are directed to contact Client Services at 877-HERITAGE (437-4824).
21. From time to time, the Auctioneer, its affiliates, or their employees may consign items to be sold in the Auction.
22. From time to time, the Auctioneer, its affiliates, or their employees may place bids on lots in the Auction.
23. The Auctioneer may extend advances, guarantees, or loans to certain consignors.
24. The Auctioneer has the right to sell certain unsold items after the close of the Auction. Such lots shall be considered sold during the Auction and all these Terms and Conditions shall apply to such sales including but not limited to the Buyer's Premium, return rights, and disclaimers.

Payment:

25. All sales are strictly for cash in United States dollars (including U.S. currency, bank wire, cashier checks, travelers checks, eChecks, and bank money orders, and are subject to all reporting requirements). All deliveries are subject to good funds; funds being received in Auctioneer's account before delivery of the merchandise; and all payments are subject to a clearing period. Auctioneer reserves the right to determine if a check constitutes "good funds": checks drawn on a U.S. bank are subject to a ten business day hold, thirty days when drawn on an international bank. Clients with pre-arranged credit may receive immediate credit for payments via eCheck, personal, or corporate checks. All others will be subject to a hold of 5 business days, or more, for the funds to clear prior to releasing merchandise. (Ref. T&C item 7 Credit for additional information.) Payments can be made 24-48 hours post auction from the My Orders page of the HA.com website. Payment via card (Visa, Mastercard, and Discover) will be accepted upon prior approval by Auctioneer. All payments by card will incur a surcharge of 2.5%. Payment by eCheck, wire transfer, or check will not incur a surcharge. This fee only applies to credit transactions, and does not exceed Auctioneer's cost of processing.
26. Payment is due upon closing of the Auction session, or upon presentment of an invoice. Auctioneer reserves the right to void an invoice if payment in full is not received within 7 days after Auction close. In cases of nonpayment, Auctioneer's election to void a sale does not relieve the Bidder from their obligation to pay Auctioneer its fees (seller's and buyer's premium) on the lot and any other damages pertaining to the lot or Auctioneer. Alternatively, Auctioneer at its sole option, may charge a twenty (20%) fee based on the amount of the purchase. In either case the Auctioneer may offset amount of its claim against any monies owing to the Bidder or secure its claim against any of the Bidder's properties held by the Auctioneer.
27. Purchased lots may be subject to taxes or fees imposed by various foreign taxing agencies. Buyer is responsible for paying all foreign imposed taxes whether VAT, GST, etc. prior to delivery unless other arrangements are made in writing. Lots delivered to Buyer, or Buyer's representative are subject to all applicable state and local taxes, unless appropriate permits are on file with Auctioneer. Should state sales tax become applicable in the state for delivery prior to delivery of the property on the invoice, Buyer agrees to pay all applicable state sales tax as required by the delivery state as of the shipping date. Buyer agrees to pay Auctioneer the actual amount of tax due in the event that sales tax is not properly collected due to: 1) an expired, inaccurate, or inappropriate tax certificate or declaration, 2) an incorrect interpretation of the applicable statute, 3) or any other reason. The appropriate form or certificate must be on file at and verified by Auctioneer five days prior to Auction, or tax must be paid; only if such form or certificate is received by Auctioneer within 4 days after Auction can a refund of tax paid be made. Lots from different Auctions may not be aggregated for sales tax purposes.
28. In the event that Buyer's payment is dishonored upon presentment(s), Buyer shall pay the maximum statutory processing fee set by applicable state law. If Buyer attempts to pay via eCheck and Buyer's financial institution denies this bank account, or the payment cannot be completed using the selected funding source, Buyer agrees to complete payment using your card on file (subject to the surcharge detailed in paragraph 25).
29. If any Auction invoice submitted by Auctioneer is not paid in full when due, the unpaid balance will bear interest at the highest rate permitted by law from the date of invoice until paid. Any invoice not paid when due will bear a three percent (3%) late fee on the invoice amount. If the Auctioneer refers any invoice to an attorney for collection, Buyer agrees to pay attorney's fees, court costs, and other collection costs incurred by Auctioneer. If Auctioneer assigns collection to its in-house legal staff, such attorney's time expended on the matter shall be compensated at a rate comparable to the hourly rate of independent attorneys.
30. In the event Buyer fails to pay any amounts due, Buyer authorizes Auctioneer to charge the Buyer's card on file with Auctioneer in the amount required to pay the invoice in full or sell the lot(s) securing the invoice to any underbidders in the Auction that the lot(s) appeared, or at subsequent private or public sale, or relist the lot(s) in a future auction conducted by Auctioneer. A defaulting Buyer agrees to pay for the reasonable costs of resale (including a 15% seller's commission, if consigned to an auction conducted by Auctioneer). The defaulting Buyer is liable to pay any difference between his total original invoice for the lot(s), plus any applicable interest, and the net proceeds for the lot(s) if sold at private sale or the subsequent hammer price of the lot(s) less the 15% seller's commissions, if sold at an Auctioneer's auction.
31. Title shall not pass to Buyer until all invoices are paid in full. Auctioneer shall have a lien against the merchandise purchased by Buyer to secure payment of any and all outstanding Auction invoices. Auctioneer is further granted a lien and the right to retain possession of any other property of Buyer then held by Auctioneer or its affiliates to secure payment of any Auction invoice or any other amounts due Auctioneer or affiliates from Buyer. With respect to these lien rights, Auctioneer shall have all the rights of a secured creditor under Article 9 of the Texas Uniform Commercial Code, including but not limited to the right of sale (including a 15% seller's commission, if consigned to an auction conducted by Auctioneer). Any Heritage foreclosure auction venue is deemed a reasonably commercial sale. In addition, with respect to payment of the Auction invoice(s), Buyer waives any and all rights of offset he might otherwise have against Auctioneer and the consignor of the merchandise included on the invoice. If Buyer owes Auctioneer or its affiliates on any account, Auctioneer and its affiliates shall have the right to offset such unpaid account by any credit balance due Buyer, and it may secure by possessory lien any unpaid amount by any of the Buyer's property in their possession.

Delivery; Shipping; and Handling Charges:

32. Buyer is liable for all shipping, handling, registration, and renewal fees, if any. Auctioneer is unable to combine purchases from other auctions or affiliates into one package for shipping purposes. Merchandise will be shipped in a commercially reasonable time after payment in good funds for the merchandise and the shipping fees is received or credit extended, except when third-party shipment occurs. Buyer on lots designated for

third-party shipment must designate the common carrier, accept risk of loss, and prepay shipping costs. Buyer agrees that Service and Handling charges related to shipping items which are not pre-paid may be charged to the card on file with Auctioneer (subject to the surcharge detailed in paragraph 25).

33. Successful international Bidders shall provide written shipping instructions, including specified customs declarations, to Auctioneer for any lots to be delivered outside of the United States. NOTE: Declaration value shall be the item'(s) hammer price together with its buyer's premium and Auctioneer shall use the correct harmonized code for the lot.
34. On all shipments in which Auctioneer charges the Delivery, Handling, and Transit Fee *infra*, any risk of loss during shipment will be borne by Auctioneer until the common carrier's confirmation of delivery to the address of record in Auctioneer's file, this is the "Secure Location". A common carrier's confirmation is conclusive to prove delivery to Buyer; if the client has a Signature release on file with the carrier, the package is considered delivered without Signature. Auctioneer shall arrange, select, and engage common carriers and other transportation vendors on your behalf. Transit services are subject to the following terms and conditions:
    a. Scope of Transit Services: Merchandise for transit will be insured under one or more insurance policies issued by an authorized broker to Auctioneer. The merchandise will be insured for the invoice price of the properties (hammer price plus Buyer's Premium) ("Insured Value"). For each shipment, Buyer will provide a Secure Location to which the items will be delivered. NOTICE: **Auctioneer is neither an insurance company nor a common carrier of any type.**
    b. Auctioneer's Compensation for Transit Services: Auctioneer will provide transit services to Buyer for ¾ of 1% of the Insured Value, plus packaging and handling fees and fees for the common carrier (collectively, "Delivery, Handling, and Transit Fee"). Buyer agrees to pay Delivery, Handling, and Transit Fee and comply with all terms of payment as set forth herein.
    c. Auctioneer's Limitation of Liability for Transit Services: Buyer understands and agrees that Auctioneer's liability for loss of or damage to the items, if any, ends when the items have been delivered to the Secure Location, and Auctioneer has received evidence of delivery. Any claim that property has sustained loss or damage during transit must be reported to Auctioneer within seventy-two (72) hours of the delivery date. Any recovery for loss of or damage to any merchandise is limited to the lesser of actual cash value of the merchandise or the Insured Value. **Under no circumstances is Auctioneer liable for consequential or punitive damages.**
35. It shall be the responsibility for Buyer to arrange pick-up or shipping in a timely manner (within 10 days). Merchandise will be subject to storage and moving charges, including a $100 administration fee plus $10 daily storage for larger items and $5 daily for smaller items (storage fee per item) after 35 days. In the event the merchandise is not removed within ninety days, the merchandise may be offered for sale to recover any past due storage or moving fees, including a 25% Seller's Commission.
36. A. NOTICE OF CITES COMPLIANCE: The purchase of items made from protected species: Any property made of or incorporating endangered or protected species or wildlife may have import and/or export restrictions established by the Convention of International Trade in Endangered Species of Wild Fauna and Flora (CITES) in various countries and domestically. Plant and animal properties include (but are not limited to) items made of (or including) Brazilian rosewood, ivory, whalebone, turtle shell, coral, crocodile, alligator, lizard, or other wildlife. These items may not be available to ship internationally or, in some cases, domestically. Domestic bans and restrictions exist in these states: 1) California state law prohibits the importation of any product containing Python skin into the State of California, thus no lot containing Python skin will be shipped to or invoiced to a person or company in California. 2) Fossil Ivory is currently banned or restricted in 5 U.S. states: New York, New Jersey, California, Hawaii, and New Mexico. By placing a bid, the bidder acknowledges that he or she is aware of any restriction in their country or place of residence and takes responsibility for: 1) obtaining all information on such restricted items for both export and import; 2) obtaining all such licenses and/or permits. Delay, failure, or incapacity to obtain any such license or permit does not relieve the buyer of timely payment or afford them the capacity to void their purchase or payment. Lots containing potentially regulated wildlife material are noted in the description as a convenience to our clients. Heritage Auctions does not accept liability for errors or failure to mark lots containing protected or regulated species. For further assistance, please contact client services at 1-800-872-6467.
36. B. California State law prohibits the importation of any product containing Python skin into the State of California. No merchandise containing Python skin will be shipped to or invoiced to a person or company in California.
36. C. Auctioneer shall not be liable for any loss caused by or resulting from:
    a. Seizure or destruction under quarantine or Customs regulation, or confiscation by order of any Government or public authority, or risks of contraband or illegal transportation of trade, or
    b. Breakage of statuary, marble, glassware, bric-a-brac, porcelains, jewelry, and similar fragile articles.
37. Any request for shipping verification for undelivered packages must be made within 30 days of shipment by Auctioneer.

Cataloging, Warranties, and Disclaimers:

38. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY DESCRIPTION CONTAINED IN THIS AUCTION OR ANY SECOND OPINE. Any description of merchandise or second opine contained in this Auction is for the sole purpose of identifying merchandise for those Bidders who do not have the opportunity to view merchandise prior to bidding, and no description of merchandise has been made part of the basis of the bargain or has created any express warranty that merchandise would conform to any description made by Auctioneer. Color variations can be expected in any electronic or printed imaging, and are not grounds for the return of any lot. NOTE: Auctioneer, in specified auction venues, e.g. Fine Art, may have express written warranties and Bidder is referred to those specific terms and conditions.
39. Auctioneer is selling only such right or title to merchandise being sold as Auctioneer may have by virtue of consignment agreements on the date of auction and disclaims any warranty of title to the merchandise. Auctioneer disclaims any warranty of merchantability or fitness for any particular purposes. All images, descriptions, sales data, and archival records are the exclusive property of Auctioneer, and may be used by Auctioneer for advertising, promotion, archival records, and any other uses deemed appropriate.
40. Translations of foreign language documents may be provided as a convenience to interested parties. Auctioneer makes no representation as to the accuracy of those translations and will not be held responsible for errors in bidding arising from inaccuracies in translation.
41. Auctioneer disclaims all liability for damages, consequential or otherwise, arising out of or in connection with the sale of any merchandise by Auctioneer to Bidder. No third party may rely on any benefit of these Terms and Conditions and any rights, if any, established hereunder are personal to Bidder and may not be assigned. Any statement made by the Auctioneer is an opinion and does not constitute a warranty or representation. No employee of Auctioneer may alter these Terms and Conditions, and, unless signed by a principal of Auctioneer, any such alteration is null and void.
42. Auctioneer shall not be liable for damage to frames, frame glass, cases, holders, or third-party grading encapsulations that do not affect the condition of the merchandise presented for auction. Such defects shall not be a basis for return, repair, or reduction in purchase price.

Release:

43. In consideration of participation in Auction and the placing of a bid, Bidder expressly releases Auctioneer, its officers, directors and employees, its affiliates, and its outside experts that provide second opines, from any and all claims, cause of action, chose of action, whether at law or equity or any arbitration or mediation rights existing under the rules of any professional society or affiliation based upon the assigned description, or a derivative theory, breach of warranty express or implied, representation or other matter set forth within these Terms and Conditions of Auction or otherwise. In the event of a claim, Bidder agrees that such rights and privileges conferred therein are strictly construed as specifically declared herein, and are the exclusive remedy. Bidder, by non-compliance to these express terms of a granted remedy, shall waive any claim against Auctioneer.
44. Notice: Some merchandise sold by Auctioneer is inherently dangerous e.g. firearms, cannons, and small items that may be swallowed or ingested or may have latent defects all of which may cause harm to a person. Buyer accepts all risk of loss or damage from its purchase of these items and Auctioneer disclaims any liability whether under contract or tort for damages and losses, direct or inconsequential, and expressly disclaims any warranty as to safety or usage of any lot sold.

Dispute Resolution, Arbitration, and Remedies:

By placing a bid or otherwise participating in Auction, Bidder accepts these Terms and Conditions of Auction, and specifically agrees to the dispute resolution provided herein.

45. Exclusive Dispute Resolution Process: All claims, disputes, or controversies in connection with, relating to, and/or arising out of Bidder's participation in Auction or purchase of any lot, any interpretation of the Terms and Conditions of Sale or any amendments thereto, any description of any lot or condition report, any damage to any lot, any alleged verbal modification of any term of sale or condition report or description, and/or any purported settlement whether asserted in contract, tort, under Federal or State statute or regulation, or any claim made by Bidder of a lot or Bidder's participation in Auction involving the auction or a specific lot involving a warranty or representation of a consignor or other person or entity including Auctioneer {which claim Bidder consents to be made a party} (collectively, "Claim") shall be exclusively heard by, and the claimant (or respondent) and Auctioneer each consent to the Claim being presented in a confidential binding arbitration before a single arbitrator administrated by and conducted under the rules of, the American Arbitration Association. The locale for all such arbitrations shall be Dallas, Texas. The arbitrator's award may be enforced in any court of competent jurisdiction. In the event that any Claim needs to be litigated, including actions to compel arbitration, construe the agreement, actions in aid of arbitration, or otherwise, such litigation shall be exclusively in the Courts of the State of Texas, in Dallas County, Texas, and if necessary the corresponding appellate courts. If a Claim involves a consumer, exclusive subject matter jurisdiction for the Claim is in the State District Courts of Dallas County, Texas and the consumer consents to subject matter and in personam jurisdiction; further CONSUMER EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY. A consumer may elect arbitration as specified above. Any claim involving the purchase or sale of numismatic or related items may be submitted through binding PNG arbitration. A Claim is not subject to class certification.
46. Choice of Law: Agreement and any Claim shall be determined and construed under Texas law. For auctions conducted by Heritage Auctions (HK) Limited, any Agreement and any Claim shall be determined and construed under Hong Kong law.
47. Fees and Costs: The prevailing party (a party that is awarded substantial and material relief on its damage claim based on damages sought versus awarded or the successful defense of a Claim based on damages sought versus awarded) may be awarded reasonable attorneys' fees and costs.
48. Remedies: Any Claim must be brought within two (2) years of the alleged breach, default or misrepresentation or the Claim is waived. After one (1) year has elapsed, Auctioneer's maximum liability shall be limited to any commissions and fees Auctioneer earned on that lot. Auctioneer in no event shall be responsible for consequential damages, incidental damages, compensatory damages, or any other damages arising or claimed to be arising from the auction of any lot. Exemplary or punitive damages are not permitted and are waived. In the event that Auctioneer cannot deliver the lot or subsequently it is established that the lot lacks title, or other transfer or condition issue is claimed, in such cases the sole remedy shall be limited to rescission of sale and refund of the amount paid by Buyer; in no case shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot. In the event of an attribution error, Auctioneer may at its sole discretion, correct the error on the Internet, or, if discovered at a later date, refund Buyer's purchase price without further obligation. Nothing herein shall be construed to extend the time of return or conditions and restrictions for return.
49. These Terms & Conditions provide specific remedies for occurrences in the auction and delivery process. Where such remedies are afforded, they shall be interpreted strictly. Bidder agrees that any claim shall utilize such remedies; Bidder making a claim in excess of those remedies provided in these Terms and Conditions agrees that in no case whatsoever shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot.

Miscellaneous:

50. Agreements between Bidders and consignors to effectuate a non-sale of an item at Auction, inhibit bidding on a consigned item to enter into a private sale agreement for said item, or to utilize Auctioneer's Auction to obtain sales for non-selling consigned items subsequent to Auction, are strictly prohibited. If a subsequent sale of a previously consigned item occurs in violation of this provision, Auctioneer reserves the right to charge Bidder the applicable Buyer's Premium and consignor a Seller's Commission as determined for each auction venue and by the terms of the seller's agreement.
51. Acceptance of these Terms and Conditions qualifies Bidder as a client who has consented to be contacted by Heritage in the future. In conformity with "do-not-call" regulations promulgated by the Federal or State regulatory agencies, participation by Bidder is affirmative consent to being contacted at the phone number shown in his application and this consent shall remain in effect until it is revoked in writing. Heritage may from time to time contact Bidder concerning sale, purchase, and auction opportunities available through Heritage and its affiliates and subsidiaries.
52. Rules of Construction: Auctioneer presents properties in a number of collectible fields, and as such, specific venues have promulgated supplemental Terms and Conditions. Nothing herein shall be construed to waive the general Terms and Conditions of Auction by these additional rules and shall be construed to give force and effect to the rules in their entirety.

Additional Terms & Conditions:
COINS & CURRENCY

COINS & CURRENCY TERM A: Signature® Auctions are not on approval. No certified material may be returned because of possible differences of opinion with respect to the grade offered by any third-party organization, dealer, or service. No guarantee of grade is offered for uncertified Property sold and subsequently submitted to a third-party grading service. There are absolutely no exceptions to this policy. Under extremely limited circumstances, (e.g. gross cataloging error) a purchaser, who did not bid from the floor, may request Auctioneer to evaluate voiding a sale: such request must be made in writing detailing the alleged gross error; submission of the lot to the Auctioneer must be pre-approved by the Auctioneer; and bidder must notify Ron Brackemyre (1-800-872-6467 Ext. 1312) in writing of such request within three (3) days of the non-floor bidder's receipt of the lot. Any lot that is to be evaluated must be in our offices within 30 days after Auction. Grading or method of manufacture do not qualify for this evaluation process nor do such complaints constitute a basis to challenge the authenticity of a lot. AFTER THAT 30-DAY PERIOD, NO LOTS MAY BE RETURNED FOR REASONS OTHER THAN AUTHENTICITY. Lots returned must be housed intact in their original holder. No lots purchased by floor Bidders may be returned (including those Bidders acting as agents for others) except for authenticity. Late remittance for purchases may be considered just cause to revoke all return privileges.

COINS & CURRENCY TERM B: Auctions conducted solely on the Internet THREE (3) DAY RETURN POLICY: Certified Coin and Uncertified and Certified Currency lots paid for within seven days of the Auction closing are sold with a three (3) day return privilege unless otherwise noted in the description as "Sold As Is, No Return Lot". You may return lots under the following conditions: Within three days of receipt of the lot, you must first notify Auctioneer by contacting Client Service by phone (877-HERITAGE (437-4824)) or e-mail (Bid@HA.com), and immediately ship the lot(s) fully insured to the attention of Returns, Heritage Auctions, 2801 W. Airport Freeway, Dallas TX 75261. Lots must be housed intact in their original holder and condition. You are responsible for the insured, safe delivery of any lots. A non-negotiable return fee of 5% of the purchase price ($10 per lot minimum) will be deducted from the refund for each returned lot or billed directly. Postage and handling fees are not refunded. After the three-day period (from receipt), no items may be returned for any reason. Late remittance for purchases revokes these Return privileges.

COINS & CURRENCY TERM C: Bidders who have inspected the lots prior to any Auction, or attended the Auction, or bid through an Agent, will not be granted any return privileges, except for reasons of authenticity.

COINS & CURRENCY TERM D: Coins sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for a guarantee by Auctioneer that they are genuine. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Numismatic Guaranty Corporation (NGC), P.O. Box 4776, Sarasota, FL 34230, http://www.ngccoin.com/ services/writtenguarantee.asp; Professional Coin Grading Service (PCGS), PO Box 9458, Newport Beach, CA 92658, http://www.pcgs.com/guarantee.html; ANACS, 6555 S. Kenton St. Ste. 303, Englewood, CO 80111; and Independent Coin Grading Co. (ICG), 7901 East Belleview Ave., Suite 50, Englewood, CO 80111.

COINS & CURRENCY TERM E: Notes sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for guarantee by Auctioneer that they are genuine. Grading, condition or other attributes of any lot may have a material effect on its value, and the opinion of others, including third-party grading services such as PCGS Currency and PMG may differ with that of Auctioneer. Auctioneer shall not be bound by any prior or subsequent opinion, determination, or certification by any grading service. Bidder specifically waives any claim to right of return of any item because of the opinion, determination, or certification, or lack thereof, by any grading service. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Paper Money Guaranty (PMG), PO Box 4711, Sarasota FL 34230; PCGS Currency, PO Box 10470, Peoria, IL 61612-0470; PCGS Gold Shield, PO Box 9458, Newport Beach, CA 92658. Third-party graded notes are not returnable for any reason whatsoever.

COINS & CURRENCY TERM F: Notes graded by PCGS Currency between February 4, 2009 and January 30, 2019 were graded and authenticated by K3B, Inc. under license from Collectors Universe, Inc. K3B, Inc., now operating as Legacy Currency Grading, has expressed in writing that notes graded under the license during this time period will still be covered by the full written guaranty of PCGS Currency. Warranties may be available from Collectors Universe, Inc. for all PCGS Currency notes graded prior to February 4, 2009.

COINS & CURRENCY TERM G: Since we cannot examine encapsulated coins or notes, they are sold "as is" without our grading opinion, and may not be returned for any reason. Auctioneer shall not be liable for any patent or latent defect or controversy pertaining to or arising from any encapsulated collectible. In any such instance, purchaser's remedy, if any, shall be solely against the service certifying the collectible.

COINS & CURRENCY TERM H: Due to changing grading standards over time, differing interpretations, and to possible mishandling of items by subsequent owners, Auctioneer reserves the right to grade items differently than shown on certificates from any grading service that accompany the items. Auctioneer also reserves the right to grade items differently than the grades shown in the prior catalog should such items be reconsigned to any future auction.

COINS & CURRENCY TERM I: Although consensus grading is employed by most grading services, it should be noted as aforesaid that grading is not an exact science. In fact, it is entirely possible that if a lot is broken out of a plastic holder and resubmitted to another grading service or even to the same service, the lot could come back with a different grade assigned.

COINS & CURRENCY TERM J: Certification does not guarantee protection against the normal risks associated with potentially volatile markets. The degree of liquidity for certified coins and collectibles will vary according to general market conditions and the particular lot involved. For some lots there may be no active market at all at certain points in time.

COINS & CURRENCY TERM K: All non-certified coins and currency are guaranteed genuine, but are not guaranteed as to grade, since grading is a matter of opinion, an art and not a science, and therefore the opinion rendered by the Auctioneer or any third party grading service may not agree with the opinion of others (including trained experts), and the same expert may not grade the same item with the same grade at two different times. Auctioneer has graded the noncertified numismatic items, in the Auctioneer's opinion, to their current interpretation of the American Numismatic Association's standards as of the date the catalog was prepared. There is no guarantee or warranty implied or expressed that the grading standards utilized by the Auctioneer will meet the standards of any grading service at any time in the future.

COINS & CURRENCY TERM L: Storage of purchased coins and currency: Purchasers are advised that certain types of plastic may react with a coin's metal or transfer plasticizer to notes and may cause damage. Caution should be used to avoid storage in materials that are not inert.

COINS & CURRENCY TERM M: NOTE: Purchasers of rare coins or currency through Heritage have available the option of arbitration by the Professional Numismatists Guild (PNG); if an election is not made within ten (10) days of an unresolved dispute, Auctioneer may elect either PNG or A.A.A. Arbitration.

COINS & CURRENCY TERM N: For more information regarding Canadian lots attributed to the Charlton reference guides, please contact: Charlton International, PO Box 820, Station Willowdale B, North York, Ontario M2K 2R1 Canada.

COINS & CURRENCY TERM O: Financing. Auctioneer offers various extended payment options to qualified pre-approved persons and companies. The options include Extended Payment Programs (EPP) Flexible Payment Program (FPP) and Dealer Terms. Each program has its specific terms and conditions and such terms and conditions are strictly enforced. Each program has to be executed by the purchaser. Auctioneer reserves the right to alter or deny credit and in such case these auction terms shall control.
